D O. No. 12011/71/2015-IAD

Date: 04th July, 2018

Subject: Implementation of INSPIRE Award - MANAK Scheme – regarding

Dear *Smt. Srivastava,*

As you are aware, Department of Science and Technology has been successful implementing the Scheme called INSPIRE Awards-MANAK to attract and motivate students in the age group of 10 to 15 years and studying in classes 6-10 to become critical thinkers and future innovators. The objective of the scheme is to select, provide support and reward one lakh original ideas / innovations rooted in science and societal application to foster a culture of creativity and innovative thinking among school children.

2. Under this scheme, 2-3 best ideas among the students from each school is solicited through the online portal (www.inspireawards-dst.gov.in). The receipt of online nomination has already been started from 1st April 2018 and the last date of submitting the nominations is extended till July 31st, 2018.

3. As per school data provided by the NCERT, there are approximately 3146 schools in your UT, however it is a matter of concern that as per the data/ information available at the E-management system only 9.8%, i.e. 308 schools have submitted 320 nominations for INSPIRE Award – MANAK. Hence it becomes imperative that the remaining schools may be instructed to send the nominations immediately to derive benefit of this scheme of the Government of India, which will go a long way for encouraging students of your UT to become innovators and active participants in nation building.

4. May I also request you to personally monitor the progress of the scheme in your UT regularly, so that the nominations reach us well before the last date.

With regards & best wishes,
