**CIRCULAR**

A training oriented workshop for TGTs is being organized from 15<sup>th</sup> May to 19<sup>th</sup> June 2017 (between 08:00am to 03:00pm) at 28 Zone wise Government Schools under Directorate of Education, GNCT of Delhi. (List of venues is enclosed at annexure-A).

In order to provide better sanitation & housekeeping services in all designated venues, all sanitation providing agencies are hereby instructed to ensure adequate number of deployment of sanitation workers as well as availability of sufficient cleaning materials. Since, there will be a lot of participants; there will be a need for more cleaning workers, therefore, the sanitation & housekeeping workers deployed for evening (2<sup>nd</sup>) shift shall follow their duties in collaboration with the workers deployed for morning shift.

Apart from this, if more manpower is needed then the additional deployment will be done by the concerned Zonal DDE from adjacent schools.

The HOSs of all such schools (wherefrom, the deployment is diverted by the concerned sanitation agencies for onward deployment in training venues) will harmonize with the agency concerned. Such deployment of sanitation workers will be treated as on-duty & absent will not be marked by the HOSs concerned.

Further, all Zonal DDEs are hereby advised to supervise & ensure the required additional deployment at their own level in their respective districts.

This issues with the prior approval of the competent authority.
