various issues noted. In the aforesaid personal hearing, compliance of Order No. FD.E 15/ (87)/PSB/2020/414-18 dated 03.03.2020 issued for FY 2019-20 were also discussed with the school and the school's submissions were taken on record

AND WHEREAS, on receipt of clarification as well as documents uploaded on the web portal for the fee hike post personal hearing, the fee hike proposal was evaluated by the team of Chartered Accountants and the key suggestions noted for improvement by the school are hereunder:

A. Financial Suggestion for Improvements

1. Clause (vii) (c) of \Order No. F.DE/15/Act/2K/243/KKK/ 883-1982 dated 10.02.2005 issued by this Directorate states "*Capital expenditure cannot constitute a component of the financial fee structure.*"

Section 18(4) of DSEA, 1973 states "*Income derived by unaided school by way of fees shall be utilized only for such educational purpose as may be prescribed*". And Rule 176 of the DSER, 1973 states "*Income derived from collections for specific purposes shall be spent only for such purpose.*"

The DoE in its Order No. FD.E 15/ (87)/PSB/2020/414-18 dated 03.03.2020 issued to the school post evaluation of fee hike proposal for academic session 2019-20, noted that school had spent INR 12,82,600 on purchase of buses. As the expenditure was incurred without complying with the above-mentioned provisions. Accordingly, the school was directed to recover INR 12,82,600 from society which is still pending for recovery.

Therefore, the total amount of INR 12,82,600 utilized by the school for purchase of buses as per the previous year orders is still recoverable from the society and has been included in the fund position of the school with the direction to the school to recover this amount from society within 30 days from the date of issue of this order. Non-compliance with this directive would be taken seriously, and the department would take appropriate action against the school under Section 24(4) of the DSEA, 1973 without giving any further opportunity to the school.

2. Rule 59 of DSEAR, 1973 'Scheme of management of recognized school' states "*Regarding appointment and qualification of Manager 59(2)(i), the educational and other qualifications of the manager and his duties and responsibilities; the position of the manager viz-a-viz the managing committee:*
 - (j) no employee of an aided school (other than the head of school) shall be appointed as the manager, the head of school may be appointed the manager of a school, whether aided or unaided.
 - (k) appointment of the manager; the terms and conditions of his appointment; removal of the manager; filling up of casual vacancy in the office of the manager, duties, and responsibilities of the manager.
 - (l) bills (including bills relating to the salaries and allowances of the teachers and non- teaching staff) shall be jointly signed by the manager and the head of the school; but where the head of the school is also the manager, such bills shall be signed jointly by the head of the school and another member of the managing committee specially authorized by that committee in this behalf.

- (m) that the administration and academic work of the school shall be attended to by the head of school, and except where the head of school is the manager, the manager shall not interfere with the day-to-day administration and academic work of the school.
- (r) manager shall not be at the same time the manager of any other school and a person shall not be at the same time the chairman of the managing committee and the manager.

As per clause 8 of the order No. DE.15/Act/Duggal.com/203/99/23033-23980 dated 15.12.1999 and clause No. 23 of order no- F.DE/15(56)/Act/ 2009/778 dated 11.02.2009, "*no amount whatsoever shall be transferred from the recognized unaided fund/ school fund to a society or trust or any other institution*". This was upheld by the Hon'ble Supreme Court in the matter of Modern School Vs. Union of India & Others.

The DoE in its Order No. FD.E 15/ (87)/PSB/2020/414-18 dated 03.03.2020 issued to the school post evaluation of fee hike proposal for academic session 2019-20, noted that the school had paid consultancy charges and travelling expense of INR 2,70,000 during FY 2016-17 to the manager which was not in accordance with above mentioned provisions. The aforesaid expenditure was incurred without complying with the aforesaid provisions of DSER, 1973. Therefore, the school was directed to recover INR 2,70,000 from society which is still pending for recovery.

Therefore, the above amount of INR 2,70,000 paid by the school to the manager without complying with above mentioned provisions has been considered as fund available with the school in calculating the fund position of the school with the direction to the school to recover this amount from the society within 30 days from the date of issue of this order. Non-compliance with the above direction shall be viewed seriously in accordance with the provisions of Section 24(4) of the DSEA, 1973 while evaluating the fee hike proposal for the subsequent academic session.

3. Para 7.14 of AS-15 "*Employee Benefit*" issued by the Institute of Chartered Accountants of India (ICAI) states 'Plan Assets as:
- a. assets held by a long-term employee benefit fund; and
 - b. qualifying insurance policies."

Further, the para 57 of the AS-15 states "*an enterprise should determine the present value of defined benefit obligations and the fair value any plan assets with sufficient regularity that the amounts recognized in the financial statements do not differ materially from the amounts that would be determined at the balance sheet date.*"

Review of the audited financial statements of FY 2021-22 revealed that the school has recorded liability for retirement benefits in accordance with the actuarial valuation report. As per the actuarial valuation report the total liability for retirement benefits were INR 1,83,92,817 (INR 1,32,82,520 for gratuity plus INR 51,10,297 for leave encashment.)

Against the total liability for retirement benefits, the school has invested INR 64,05,205 (INR 49,05,205 for gratuity plus INR 15,00,000 for leave encashment.) with LIC. As investment with the LIC qualify as plan asset within the meaning of AS-15. Therefore, amount invested by the school with LIC has been considered while deriving the fund position of the school with the direction to the school to invest the remaining amount in plan assets within 30 days from the date of issue of this order.

B. Other Suggestion for Improvements

1. As per para 67 of the Guidance Note on Accounting by Schools issued by the Institute of Chartered Accountants of India, "The financial statements should disclose, inter alia, the historical cost of fixed assets."

On review of audited financial statements for the FY 2019-20, FY 2020-21, and FY 2021-22, it is noted that the school has presented its fixed assets purchased out of school funds at Written Down Value (WDV) which is not consistent with the Guidance Note. Thus, the school is hereby directed to comply with the requirements of Guidance Note issued by ICAI.

2. From a review of documents submitted by the school post personal hearing, the following has been noted with respect to the Fixed Asset Register (FAR) maintained by the school:
 - No tagging of the assets has been done in Fixed Assets Register (FAR) and location is not identified due to which assets could not be physically verified.
 - Depreciation for the individual assets is not recorded in the FAR, only cost of the assets is available in the FAR and WDV of the assets is not available.
 - Invoice number, manufacturer's serial number and location of the asset is not mentioned in the fixed assets register.

Therefore, the School is hereby directed to prepare a FAR, which should include details such as asset description, purchase date, supplier name, invoice number, manufacturer's serial number, location, purchase cost, other costs incurred, depreciation, asset identification number, etc. to facilitate identification of asset and documenting complete details of assets at one place. The school is further directed to comply with the directions for preparing FAR with relevant details mentioned above according to the process for periodic physical verification of assets and documenting the results of physical verification of assets. The same shall be verified at the time of evaluation of the fee hike proposal for subsequent years. This being a procedural finding, no financial impact is warranted on the fund position of the school.

3. *Section 18(5) of the DSEA, 1973 states "the managing committee of every recognized private school shall file every year with the Director such duly audited financial and other returns as may be prescribed, and every such returns shall be audited by such authority as may be prescribed".*

Further, Rule 180 (1) of DSER, 1973 states "every recognized private school shall submit returns and documents in accordance with Appendix-II".

Point No. (2) of the Appendix-II requires final accounts i.e., receipts and payments account, income and expenditure account and balance sheet of the preceding year should be duly audited by the Chartered Accountant.

Accordingly, DoE specified vide Order No. F.DE-15/ACT-I/WPC-4109/Part/13/7905-7913 dated 16.04.2016, the format of returns and other documents required to be submitted by the private unaided recognized schools. The aforesaid order also specified format for the financial statements to be such as specified by the Institute of Chartered Accountants of India (ICAI), established under

Chartered Accountants Act, 1949 (38 of 1949) in Guidance Note-21 'Accounting by Schools (2005)' as amended from time to time.

Based on the aforesaid provisions, every private unaided recognized school is required to get its accounts audited by a Chartered Accountant before submitting a return under Rule 180(1) of DSER, 1973. The documents submitted by the school for evaluation of the fee hike proposal were taken on record. Review of the audited financial statements and Independent Auditors Report for FY 2021-22 the following was noted:

- a. The Independent Audit Report was not issued in the format prescribed by Standard on Auditing 700 (SA-700), as defined by the Institute of Chartered Accountants of India (ICAI). Because most of the content of the Independent Auditors' Report was missing, such as the auditors' and management's responsibilities.
- b. No cash and bank balances have been disclosed in the balance sheet for the year ended 31.03.2022.

In light of the foregoing, the school is hereby directed to strengthen its process for preparation and presentation of financial statements in accordance with the above-mentioned provisions. However, the audited financial statements submitted by the school have been considered for the evaluation of the fee hike proposal of the school.

4. Section 13 (1) of the Right to Education Act, 2009 states that *"no school or person shall, while admitting a child, collect any capitation fee and subject the child or his or her parents or guardian to any screening procedure"*.

Section 13 (2) of the Right to Education Act, 2009 states that *"Any school or person, if in contravention of the provisions of sub-section (1):*

- a. *receives capitation fee, shall be punishable with fine which may be extended to ten times the capitation fee charged.*
- b. *subjects a child to screening procedures shall be punishable with a fine which may extend to twenty-five thousand rupees for the first contravention and fifty thousand rupees for each subsequent contravention.*

And section 2(b) of the Right to Education Act, 2009 states *"capitation fee" means any kind of donation or contribution or payment other than the fee notified by the school.*

Further, the Supreme Court in its Judgement dated 02.05.2016 in the matter of Modern 'Dental College and Research Centre Vs. State of Madhya Pradesh [Medical Council of India]' held that education is a noble profession and emphasized that:

"Every demand of capitation fee by educational institutions is unethical & illegal. It emphasized that commercialization and exploitation are not permissible in the education sector and institutions must run on a 'no-profit-no-loss' basis".

The Hon'ble Supreme Court categorically held that *"though education is now treated as an 'occupation' and, thus, has become a fundamental right guaranteed under Article 19(1) (g) of the Constitution, at the same time shackles are put in so far as this particular occupation is concerned,*

which is termed as noble. Therefore, profiteering and commercialization are not permitted, and no capitation fee can be charged. The admission of students has to be on merit and not at the whims and fancies of the educational institutions,"

Further, the Hon'ble High Court in LPA 196/2004 in the matter of 'Rakesh Goyal Vs. Montfort School and Section 13(1) of RTE Act, 2009' states "no school or person shall, while admitting a child, collect any Capitation fee/Donation from the parents. Any school or person who contravenes this provision and receives a capitation fee, shall be punishable with a fine which may extend to ten times the capitation fee charged".

Further, The Directorate of Education, vide Order No. DE15/ Act/Duggal.com/203/99/23033-23980 dated 15.12.1999 and Order No.F.DE, /15(56)/Act/2009/778 dated 11.02.2009, indicated the following types of fee that a recognised private unaided school can collect from the students/parents:

- a. Registration Fee
- b. Admission Fee:
- c. Caution Money
- d. Tuition Fee
- e. Annual Charges
- f. Earmarked Levies
- g. Development Fee

Based on the provisions mentioned above, charging of 'SEN Programme Fee' from the students is in the nature of capitation fee only. Additionally, if the school is charging unwarranted fee under different heads or introduce new head of fee other than the prescribed heads of fee and accumulates surplus fund out of it, it is also prima-facie considered to be a collection of capitation fee in other manner and form.

Accordingly, the collection of SEN Programme Fee indicates that the school is engaged in profiteering and commercialization of education.

As per Section 27 of the DSEA, 1973, the manager of the school is responsible to look after the operation of the school smoothly and to ensure compliance with the provision of the DSEAR, 1973 including the compliance of the High Court/Supreme Court and orders/circulars issued by the Directorate of Education from time to time in this regard. As the manager and principal have been bestowed with the power to ensure the school's proper functioning, including ensuring the admission process transparently are jointly as well as in their personal capacity be responsible for levy and collection of capitation fee and any another unauthorized fee collected by the school.

Therefore, the school is directed to not charge capitation as mentioned above with immediate effect and submit the compliance within 30 days from the date of issue of this order. Non- compliance with this direction would be reviewed seriously and a necessary action against the school will be initiated U/s 24(4) of the DSEA, 1973 by the department.

5. Para 99 of Guidance Note-21 'Accounting by school' issued by the Institute of Chartered Accountants of India (ICAI), relating to restricted fund, "Where the fund is meant for meeting capital expenditure, upon incurrence of the expenditure, the relevant asset account is debited

which is depreciated as per the recommendations contained in this Guidance Note. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of the cost of the asset, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year”.

Taking the cognisance from the above para, the school needs to create the ‘Development Fund Utilisation Account’ as deferred income to the extent of cost of assets purchased out of development fund and then this deferred income should be amortised in the proportion of the depreciation charged to revenue account. By following the aforesaid accounting treatment for development fund, development fund utilisation account and depreciation on assets purchased out of development fund as per para 99 of GN-21, the depreciation reserve fund would be mere an accounting head and school do not require creation of equivalent investments against the depreciation reserve.

However, the audited financial statements of the school revealed that the school has not been following para 99 of the GN 21. Because upon incurrance of the capital expenditure out of the development fund, the school has created development fund utilisation account but has not transferred any amount from deferred income to the credit of income and expenditure account.

Thus, the school is hereby directed to follow accounting treatment specified in para 99 of the Guidance Note 21 with respect to the collection and utilization of development fund and make necessary adjustment in the general reserve account.

6. Clause 103 on Related Party Disclosure, contained in Guidance Note 21 on ‘Accounting by Schools’, issued by the ICAI, there is a requirement that keeping in the view the involvement of public funds, schools are required to disclose the transactions made in respect of related parties.

From review of the audited financial statements of FY 2019-20 to 2021-22, it has been noted that the School has not made any disclosure relating to related party transactions in its audited financial statements. In the absence of such details, the purpose and genuineness of transactions entered into between the related parties cannot be determined. Therefore, the School is hereby directed to include such details in audited financial statements of the subsequent year.

After detailed examination of all the material on record and considering the clarification submitted by the School, it was finally evaluated/ concluded that:

- i. The total funds available for the FY 2022-23 amounting to **INR 17,93,20,578** out of which cash outflow for the FY 2022-23 is estimated to be **INR 17,44,16,397**. This results in deficit of **INR 30,56,017** after meeting all expenditures. The details are as follows:

The department in both the above-mentioned orders directed to the management of all the private schools not to collect any fee except the tuition fee irrespective of the fact whether running on the private land or government land allotted by DDA/other government land owing agencies and not to increase any fee in academic session 2020-21 till further direction.

Further, the department in pursuance of the order dated 31.05.2021 in WPC 7526/2020 of Single Bench of the Hon'ble High Court of Delhi and interim order dated 07.06.2021 in LPA 184/2021 of the Division Bench of Hon'ble High Court of Delhi and to prevent the profiteering and commercialisation, directed to the management of all the petitioners private unaided recognised schools through its order No. F. No.DE.15(114)/PSB/2021/2165-2174 dated 01.07.2021:

- (i) *"to collect annual school fee (only all permitted heads of fees) from their students as fixed under the DSEAR, 1973 for the academic year 2020-21, but by providing deduction of 15% on that amount in lieu of unutilized facilities by the students during the relevant period of academic year 2020-21". And if the school has collected the fee in excess to the direction issued by the Hon'ble Court, the same shall be refunded to the parents or adjusted in the subsequent month of fee or refund to the parents.*
- (ii) The amount so payable by the concerned students be paid in six equal monthly instalments w.e.f. 10.06.2021.

12/5

- (iii) The above arrangement will also be applicable with respect to collection of fees for academic session 2021-22.

From review of the audited financial statements for FY 2021-22 and based on the further information provided by the school, it has been noted that the school has reported 85% of the tuition fees and annual charges and 50% of the development charges its audited financial statements of FY 2021-22. Therefore, the income collected by the school during the FY 2021-22 with respect to annual charges and development fee has been grossed up in order after deducting the income of FY 2020-21 to make comparative income with the FY 2022-23. The detailed calculation has been provided below.

| Particulars | Income as per AFS of FY 2021-22 | Income Considered in the Above Table | Remarks |
|------------------|---------------------------------|--------------------------------------|--|
| Tuition Fee | 8,29,01,592 | 9,75,31,285 | The school recorded 85% of these income as per DoE order. Therefore, it has been grossed up in order to determine the normal income of the school. |
| Annual Charges | 2,90,09,682 | 3,41,29,038 | |
| Development fund | 70,24,654 | 1,40,49,308 | The school recorded 50% of these income as per DoE order. Therefore, it has been grossed up in order to determine the normal income of the school. |

Similarly, arrears of annual charges amounting to INR 1,33,66,857 has been excluded while calculating fund position of the school for academic session 2022-23.

Note 3: As per the Duggal Committee report, there are four categories of fees that can be charged by a private unaided School. The first category of fee comprised of “*Registration fee and all one Time Charges*” levied at the time of admissions such as admission and caution money. The second category of fee comprises ‘*Tuition Fee*’ which is to be fixed to cover the standard cost of the establishment and to cover the expenditure of revenue nature for the improvement of curricular facilities like library, laboratories, science, and computer fee up to class X and examination fee. The third category of the fee should consist of ‘*Annual Charges*’ to cover all expenditure not included in the second category and the fourth category consist of all ‘*Earmarked Levies*’ for the services rendered by the school and be recovered only from the ‘User’ students. These charges are transport fee, swimming pool charges, Horse riding, tennis, midday meals etc. This recommendation has been considered by the Directorate while issuing order No. DE.15/Act/Duggal.com/203/99/23033-23980 dated 15.12.1999 and order No. F.DE./15(56)/Act/2009/778 dated 11.02.2009.

The purpose of each head of the fee has been defined and it is nowhere defined the usage of development fee or any other head of fee for investments against depreciation reserve fund.

Further, Clause 7 of order No. DE.15/Act/Duggal.com/203/99/23033-23980 dated 15.12.1999 and clause 14 of the order no F.DE./15(56)/Act/2009/778 dated 11.02.2009, “*development fee, not exceeding 15% of the total annual tuition fee may be charged for supplementing the resources for*

purchase, upgradation and replacement of furniture, fixture and equipment. Development fee, if required to be charged, shall be treated as capital receipt and shall be collected only if the school is maintaining a Depreciation Reserve Fund, equivalent to the depreciation charged in the revenue accounts and the collection under this head along with and income generated from the investment made out of this fund will be kept in a separately maintained Development Fund Account". Thus, the above direction provides for:

- Not to charge development fee for more than 15% of tuition fee.
- Development fee will be used for purchase, upgradation and replacement of furniture, fixtures, and equipment.
- Development fee will be treated as capital receipts.
- Depreciation reserve fund is to be maintained.

Thus, the creation of the depreciation reserve fund is a pre-condition for charging of development fee, as per above provisions and the decision of Hon'ble Supreme court in the case of Modern School Vs Union of India & Ors.: 2004(5) SCC 583. Even the Clause 7 of the above direction does not require to maintain any investments against depreciation reserve fund. Also, as per para 99 of Guidance Note-21 'Accounting by School' issued by the Institute of Chartered Accountants of India states "Where the fund is meant for meeting capital expenditure, upon incurrence of the expenditure, the relevant asset account is debited which is depreciated as per the recommendations contained in this Guidance Note. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of the cost of the asset, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year."

Accordingly, the depreciation reserve (that is to be created equivalent to the depreciation charged in the revenue account) is mere of an accounting head for the appropriate accounting treatment of depreciation in the books of account of the school in accordance with Guidance Note -21 issued by the Institute of Chartered Accountants of India. Thus, there is no financial impact of depreciation reserve on the fund position of the School. Accordingly, the depreciation reserve fund has not been considered while deriving the fund position of the School.

Note 4: All budgeted expenditure of the school has been considered while deriving the fund position of the school except the following:

| Particulars | Expenditure as per Budgeted of FY 2022-23 | Disallowed | Remarks |
|------------------------------------|---|-------------|--|
| Salary – Teaching Staff | 9,06,28,000 | 59,72,013 | Amount proposed by the school is quite high in comparison to expenditure incurred by the school during FY 2019-20, 2020-21 and 2021-22. Therefore, amount of INR 59,72,013 has not been considered while deriving the fund position of the school. |
| Transport Expenses | 1,43,00,000 | 1,43,00,000 | |
| Club and other Activities Expenses | 8,13,000 | 8,13,000 | |

Note 5: While evaluating the fee hike proposal, department considers that how much liquid funds would require the school for a particular session for smooth operation without compromising with the quality of education. Thus, while deriving the fund position of the school all legitimate

expenditures revenue as well as capital in accordance with the provisions DESAR, 1973 and pronouncement of Courts judgment have been considered. Therefore, balance of the other current assets other and current liabilities has not been considered. Because it is clear that the current assets, loans and advances and current liabilities are cyclic in nature and the same have already been considered in the form of budgeted income and expenditure of the school in the earlier years. Thus, current assets, loans and advances and current liabilities will always reflect in the financial statements at the end of the financial year.

- ii. In view of the above examination, it is evident that the school does not have adequate funds for meeting all the operational expenditures for the FY 2022-23. In this regard, the directions issued by the Directorate of Education vide circular no. 1978 dated 16.04.2010 states that,

"All Schools must, first of all, explore and exhaust the possibility of utilising the existing funds/ reserves to meet any shortfall in payment of salary and allowances, as a consequence of increase in the salary and allowance of the employees. A part of the reserve fund which has not been utilised for years together may also be used to meet the shortfall before proposing a fee increase."

AND WHEREAS, in the light of above evaluation which is based on the provisions of DSEA, 1973, DSER, 1973, guidelines, orders and circulars issued from time to time by this Directorate, it was recommended by the team of Chartered Accountants along with certain financial suggestions that were identified (appropriate financial impact has been taken on the fund position of the school) and certain procedural suggestions which were also noted (appropriate instructions against which have been given in this order), that the sufficient funds are not available with the School to carry out its operations for the academic session 2022-23. Accordingly, the fee increase proposal of the school may be accepted.

AND WHEREAS, it is noticed that the school has incurred INR 15,52,600 incurred on payment buses and payments to manager and in contravention to the provisions of DSEAR, 1973 and other orders issued by the departments from time to time. Therefore, the school is directed to recover the aforesaid amount from society/ management. The receipts along with copy of bank statements showing receipt of the above-mentioned amount should be submitted with DoE, in compliance of the same, within 30 days from the date of issue of this order. Non-compliance with this direction shall be viewed seriously as per the provision of DSEAR, 1973 without providing any further opportunity of being heard.

AND WHEREAS, considering the financial situation and existing deficiencies and keeping in view that salary and other employee's benefits can be paid to the teachers and staff smoothly, the fee hike is allowed to the school with the suggestions for improvement. The school is hereby further directed that the additional income received on account of increase fee should be utilized at first instance only for payment of salary and salary arrears and submit the compliance report within 30 days from the date of issue of this order.

AND WHEREAS, it is relevant to mention charging of any arrears on account of fee for several months from the parents is not advisable, not only because of the additional sudden burden fall upon the parents/students but also as per the past experience, the benefit of such collected arrears is not passed to the teachers and staff in most of the cases as was observed by the Justice Anil Dev Singh Committee (JADSC) during the implementation of the 6th CPC. Keeping this in view, and exercising the powers conferred under Rule 43 of DSER, 1973, the Director (Education) has accepted the proposal submitted by the school and allowed an increase in fee by 3% to be effective from 01 April 2023

AND WHEREAS, recommendation of the team of Chartered Accountants along with relevant materials were put before the Director of Education for consideration and who after considering all the material on the record, and after considering the provisions of section 17 (3), 18(5), 24(1) of the DSEA, 1973 read with Rules 172, 173, 175 and 177 of the DSER, 1973 has found that funds are not available with the school for meeting financial implication for the academic session 2022-23. Hence, for smooth payment of salaries and other employee's benefit, the fee hike is required to the School

AND WHEREAS, the school is directed, henceforth to take necessary corrective steps on the financial and other suggestion noted during the above evaluation process and submit the compliance report within 30 days from the date of issue of this order to the D.D.E (PSB)

Accordingly, it is hereby conveyed that the proposal for fee hike of **Nirmal Bhartia School (School ID - 1821226), Sector-14, Dwarka, New Delhi - 110075** filled by the school in response to the Order No. F.DE.-15(40)/PSB/2019/4440-4412 dated 08.06.2022 for the academic session 2022-23, is accepted by the Director (Education) with the above conclusion and suggestions and the school is hereby allowed to increase the fee by 3% to be effective from 1 April, 2023.

Further, the management of said School is hereby directed under section 24(3) of DSEAR 1973 to comply with the following directions:

1. To increase the fee only by the prescribed percentage from the specified date.
2. To ensure payment of salary is made in accordance with the provision of Section 10(1) of the DSEA, 1973. Further, the scarcity of funds cannot be the reason for non-payment of salary and other benefits admissible to the teachers/ staffs in accordance with section 10 (1) of the DSEA, 1973. Therefore, the Society running the school must ensure payment to teachers/ staffs accordingly.
3. To utilize the fee collected from students in accordance with the provisions of Rule 177 of the DSER, 1973 and orders and directions issued by this Directorate from time to time.

Non-compliance of this order or any direction herein shall be viewed seriously and will be dealt with in accordance with the provisions of section 24(4) of Delhi School Education Act, 1973 and Delhi School Education Rules, 1973.
