#### Guidelines for Heads of Schools and Cluster In-charges:-

PAB 2019-20 has approved the proposal of Enhancement of Mathematical Calculation Skills through ABACUS learning at Cluster level. Abacus will not only improve the speed of learning of Math but also, it will create a lot of interest of the students in logical reasoning. Generally logical reasoning have many questions related to number series and abacus will make them play with the numbers. Enhancement of Mathematical Calculation Skills will be done through Workshop on ABACUS learning at 136 clusters. The workshop will be organised at cluster level for 3 days (8 Schools per cluster and 5 students from each school will participate). Therefore, at every cluster 40 students will participate in the workshop.

All the HoS and Cluster In-charges are directed to note that:-

1. A 3 -Day workshop on Abacus Learning will be organised at cluster level.
2. The Students from the Schools of DOE/MCD/NDMC/DCB will participate in workshop at cluster level.
3. 8 schools will be invited for the participation at 1 Cluster. Hence, 1088 schools will be participating in the workshop at 136 Clusters.
4. 5 students studying in class IV per school will be participating in the workshop. Hence, total 5440 children of 1088 schools will be participating in the workshop at 136 Clusters.
5. The high enrolment will be selected at Cluster level including all management Schools of DOE/MCD/NDMC/DCB.
6. 40 students of Class IV will participate at every Cluster.
7. These 5 children from each school will be escorted by the one teacher from the School, who will remain present at venue School for all the 3 days along with the students.

15. The activity of conduct of workshop on Abacus Learning must be completed in all the Districts before 20<sup>th</sup> Feb. 2020 positively.
16. The amount will be released as advance in the venue School account and settlement of the advance along with Utilization certificate must be submitted by the HoS to concerned DPO within 15 days of the completion of the activity.
17. Out of total 10 kits, one Abacus kit will be handed over to each group (Group of 5 students and escort teacher of one school) after completing the workshop. Further, These escort teachers will orient the other children at their School level.
18. One Abacus will remain with concerned CRCC and the other Abacus kit will be given to venue school.
19. All payments will be made by cheques or RTGS.
20. All bills will be submitted properly with GST NO.
21. A summary report will be submitted with the utilization certificates along with the photograph and videos compiled in CDs by the HoS of venue school to CRCC.
