Sub:-Screening and intervention for Drug/Substance Abuse among school going children.

The Project Approval Board (PAB), MHRD vide its minutes dated 15.07.2019 approved the activity- **Screening and intervention for Drug/Substance Abuse among school going children in collaboration with All India Institute of Medical Sciences (AIIMS) in the sub-component – Special Project for Equity under the Major Component – Gender & Equity.**

2. The details of the activity - Screening and intervention for Drug/Substance Abuse among school going children are as under:-

Background

3. Adolescent substance use usually begins with the use of "Gateway" substances, such as tobacco, alcohol. Other substances used in school settings include cannabis and inhalants. Early onset and rapid progression act as risk factors for the development of substance use disorders later in life. Substance use in adolescence is associated with

- i. Poor school achievement
- ii. Early dropout from school
- iii. Psychiatric morbidities
- iv. Social-occupational dysfunction
- v. Legal problems and
- vi. Exposure to hazardous situations.

There is a significant increase in rate of substance use in this age group and an urgent need is felt to provide intervention. Screening and brief intervention with referral where indicated has been found to be effective.

Objective of the interventions:-

4. The objectives of the intervention are as follows:-

- a. Screening children in school setting for substance use.
- b. Provide brief Intervention to all school students for substance use, prevention and treatment
- c. Assessing the effectiveness of Screening and brief Intervention in school students

Methodology:-

5. The Methodology for implementation of the intervention shall be as follows:-

- a. Selection on random basis of 50 schools across Delhi for the activity.
- b. Conducing baseline anonymous survey on substance use for screening 3 sections of students of Class 5, 8, 9 and 11 in selected 50 schools of Delhi (25 schools out of which will be receiving Screening and Brief Intervention).
- c. Train 50 master trainers (Counsellors/ teachers) for
 - i. Conducting anonymous survey for drug abuse
 - ii. Intervention for prevention and treatment of Drug use
 - iii. Creating awareness among parents and community
- d. Mentorship meetings with the master trainers at a regular interval based on feasibility and need.
- e. Data analysis and report writing.
- f. Develop resource material for creating awareness among parents and community regarding substance use.
