Subject: Regarding Admission of two or more times failed Students of Class IX of Govt. Schools in Class X through National Institute of Open Schooling (NIOS) for the Academic Session 2024-25.

This is with reference to the Circular No. NIOS/P/2024-25/1354 dated 14.05.2024 vide which guidelines for registration of Students of Govt. Schools desirous of seeking admission in Class X through National Institute of Open Schooling (NIOS) for the Academic Session 2024-25 were issued. As per data received from Computer Cell (DoE), total 17308 students have been declared unsuccessful in Class IX for the second time during the Session 2023-24.

It is observed that only 6200 students are under process for enrolment through NIOS Portal of DOE till date. As part of our ongoing efforts to reduce the dropout rate among students, it has been observed that the students who have failed twice are at the risk of discontinuing their education. These students need immediate attention and support so they do not dropout.

Accordingly, all Heads of Govt. Schools are hereby directed to provide proper counselling to these students and their parents to ensure that these students get registered with NIOS School Project of DoE. This initiative aims to give them an opportunity to continue their education at their own pace and in the subjects of their own choice so that they can be mainstreamed into their parent school once they pass class X.

This issues with the prior approval of the Competent Authority.
