Date: 18/9/24

CIRCULAR

The Sports Branch of Dte. Of Education, GNCTD manages various stadia/sports complexes which are available for use by students as well as citizens of the capital for promotion of sports across all ages. A copy of circular dt. 26th June 2015 regulating the usage of sports stadia/complexes is attached herewith.

It is observed that these stadia/sports complexes provide various activities including athletics and field events such as football.

It has been observed that in some stadia practicing for throw events such as Javelin, discuss throw, shot-put, hammer throw etc are allowed to take place during the same time as students are practicing track events or games such as football. Such incidents can lead to accidents causing injury to the students practicing in the stadia/complexes.

To prevent such incidents it is directed that the stadia incharges will schedule different timing for the students practicing for throw events and the students practicing for track and other games such as football depending on the right conditions ideally practice for track events would be scheduled after 04:30 pm and for throw events after 02:30 pm till the time of start of track event.

Attention is also invited to the guidelines dt. 26th June 2015 referred to above wherein it has been clearly mentioned that the stadia/complexes will be open to the general citizens in the morning session only i.e., 06:00 am to 09:30 am. The afternoon and evening session shall be exclusively meant for school students only. Parents/guardians of the school students coming for practice in

the evening are required to wait in the stands/gallery and will not be allowed on the tracks/field.

It will be ensured that all persons using the stadia/complexes will maintain proper discipline and decorum within the premises of the complex. The membership/entry of any person on account of any indiscipline in the complex can be cancelled/prohibited by the Dte. Of Education.
