## Date: - 05/04/24

### **CIRCULAR**

Subject: Engaging 10th class students in their respective schools after their exams for one-on-one peer tutoring in r/o primary class students for achieving the objectives of FLN.

As per the recommendations of NEP, Foundational Literacy and Numeracy is the most important aspect for the education of Primary class students. In order to address the crucial need for enhancing basic literacy and numeracy skills among the students of primary classes, it has now been decided by the Competent Authority to engage 10<sup>th</sup> class students in their respective schools after their exams for one-on-one peer tutoring.

As we are aware, the students of 10<sup>th</sup> class in the Sarvodaya Vidyalayas under DoE, will have ample time after their exams. It may be a good opportunity for optimizing the use of time and resources within the school community while also addressing the educational needs of primary students.

### **Objectives:**

- To provide additional academic support to primary class students.
- To foster a sense of responsibility and leadership among 10th class students.
- To promote peer learning and collaboration within the school community.
- To optimize the use of available resources and time within the school schedule.

#### **Implementation Plan:**

The HoS is hereby directed to constitute a school level committee i.e. –

- 1. HoS Chairperson
- 2. TGT (class-teachers of 10<sup>th</sup> class) Member (for identifying the 10<sup>th</sup> class students who fulfil the criteria regarding peer learning)

**3. Primary Teachers** – **Member** (for identifying the primary students who need extra efforts for improvement in reading, writing skills & basic mathematics and effective implementation of the programme)

#### **Guidelines/Instructions for HoS**

The Head of concerned Sarvodaya Vidyalaya are hereby directed to:

- Assess the academic needs of primary class students on the basis of their reading, writing and basic calculation skills.
- Identify 10th class students who are willing to participate in the programme voluntarily and are residing within the vicinity of school.
- Obtain No Objection Certificate from the parents of selected students under this programme i.e. primary students & 10<sup>th</sup> class students.
- Prepare a plan of assigning the motivated 10<sup>th</sup> class students with the primary students as per their need to promote one-on-one teaching. Not more than 3-5 students should be assigned to any 10<sup>th</sup> class student at a time.
- Develop a structured teaching learning programme cum time-table for the co-learners with the help of Assistant Teachers of the concerned school.
- Allocate specific time slots (not more than 3 hours) during the school day under this programme.
- Monitor and evaluate the progress of the programme regularly to ensure its effectiveness and make necessary adjustments.
- Progress of primary students will be monitored by primary teachers on regular basis. Subsequently necessary guidance and help should be provided to 10<sup>th</sup> class students.
- Ensure the safety & security of the students.
- Conduct this programme with immediate effect till the starting of summer vacation.

Also, assigning primary students to the 10<sup>th</sup> class students for peer learning, does not indicate anyhow that the concerned Assistant Teachers will remain inactive during this programme. Instead, they will prepare the daily lesson plans on regular basis more efficiently with the help of these elder students to

promote activity-based learning and will lead them while executing the same to achieve the target of FLN as recommended by NEP.

All the DDEs (Zone/ District) are requested to ensure the same in the schools under their jurisdictions.

This issues with the prior approval of the Competent Authority.

Dr. Rita Sharma

Addl. DE (School & Exam)

The Heads of Sarvodaya Vidyalayas through DEL-E
