Sub: Participation in the 19th World Robot Olympiad India 2025

Dear Sir,

We are pleased to inform you that World Robot Olympiad (WRO) India 2025 is being jointly organized by National Council of Science Museums (NCSM), Ministry of Culture, Govt. of India and the India STEM Foundation (ISF). This year's theme is "**The Future of Robots**", which aims to invite robotic solutions that can solve problems on land and in space. The World Robot Olympiad (WRO) India 2025 presents an unparalleled opportunity to showcase and elevate STEM education nationwide. This prestigious event is designed to inspire innovation, creativity, and collaboration among India's youth.

WRO is an annual theme-based competition for 8-19 year-olds that currently happens in 100 countries across the globe and in India. WRO is a festival for celebrating the fun and excitement of science, technology and education which brings together young people from all over the world to showcase their creativity and problem solving skills through challenging and educational robotics competitions.

About WRO category for Free Entry:

Future Innovators: Age: Elementary: 8-12 | Junior: 11-15 | Senior: 14-19

Students create innovative, intelligent robotics solutions for the season's theme. Teams will present their project and robot model to judges on the competition day.

Free Entry and Free Choice of Technology:

Entry for one team from any school into the Future Innovators Category of the World Robot Olympiad India is free, and schools can use any technology of their choice for this category.

WRO India 2025 Schedule:

Level I of the Virtual Championship from Event 1 to Event 7 under '**Future Innovators**' Category (Competition Category - 1) are open for registration at present and the National Championship will be held in September, 2025 in Delhi NCR. The winners of the National Championship will be participating in the WRO 2025 International Championship scheduled for November, 2025 in Singapore. The schedule for Level I is given below for your reference:

This is to further inform you that **entry of one team from any school into 'Future Innovators' Category of the WRO India 2025 is free** and schools can use any technology of their choice for this category.

All the above events are virtual in Level 1 of the Future Innovators Category. Students create innovative, intelligent robotics solutions for the season's theme. Teams will present their project and robot model to judges on the competition day. **Age: Elementary: 8-12 | Junior: 11-15 | Senior: 14-19**

May I request you kindly notify all central and state education departments and boards to take advantage of this wonderful opportunity and participate in this international competition. A series of free webinars and training sessions are also provided to schools for teacher and student capacity building, and the schedule is published on the WRO website.

Schools can register and learn more about the competition categories, rules and event schedule by visiting www.wroindia.org, calling the WRO helpline number +91 93194 00171 or emailing wro@indiastemfoundation.org

World Robot Olympiad offers a multifaceted educational experience, combining competition, collaboration, and education to inspire the next generation of innovators and problem solvers in robotics and STEM. A copy of the letter may also be marked so we can follow up with schools for their participation in WRO.

In view of the above, it is requested to kindly encourage the students of all the schools under autonomous/statutory bodies affiliated with Dept. of School Education and Literacy to participate in the event.

Thanking You,

Yours sincerely,

 19/11/2024
