Subject: Organizing Science Seminar and Science Drama for Academic Year 2025-26.

As we all are aware that the Directorate of Education, Govt. of NCT of Delhi conducts Science Seminar and Science Drama every year to inculcate scientific temperament and popularization of science among its students.

In this regard, Science Seminar and Science Drama for academic year 2025-26 are to be organized at School level, Zonal Level, Science Centre Level and State Level in the following manner.

1. **Science Seminar:** All the HoSs of schools under DoE, GNCT of Delhi will conduct Science Seminar for students (**class 8th to 10th**) in their School and will select only one student for participation at zonal level. All such schools will register themselves at the link given in this circular (Refer the Guidelines for Schools).

All the zonal conveners will organize the Science Seminar for all the registered schools under their jurisdiction as per enclosed schedule (**Annexure-I**). Thereafter, the Zonal Conveners will select best two participants according to the criteria given below and send the details of such selected students to their respective Science Centre.

Further, the Science Centres will organize Science Seminar for selected students at the zonal level as per the schedule and subsequently will send the details of students selected for 1st and 2nd position to the Science Branch for further participation at the State Level.

All the selected students by Science Centres will participate at State Level and details of the student selected for 1st position at the State Level Science Seminar will be forwarded for participation in the National Level Science Seminar which will be held at Visvesvaraya Industrial and Technological Museum, Bangalore on the 30th September, 2025.

Topic of the Science Seminar: "Quantum Age Begins: Potentials and Challenges". (क्वांटम युग का आगाज़: संभावनाएँ और चुनौतियाँ)

Duration: Participants shall make his/her presentation on the given topic for a maximum duration of 6 minutes. This will be followed by a two minutes Question-Answer Session with the Judges on the same topic.

A written Aptitude Test: An aptitude test (duration 20 minutes) of 20 questions will be conducted before the presentation in the event of Science Seminar. The test including questions of Short Answer Type, One Word Answer, or MCQs will be designed by the Judges of the Science Seminar. The questions will be based on the given theme of the Science Seminar.

Question-Answer session: After the presentation, each participant will be asked 3(three) questions by the judges and the participants will be required to answer any two questions within two minutes.

Grading: For evaluating and grading the presentation of participants, following criteria will be followed:

i. Scientific Content in the presentation	-	40 Marks
ii. Novelty in use of visuals	-	15 Marks
iii. Fluency in Speech	-	25 Marks
iv. Ability to Answer Questions:		
a) A written Aptitude Test of 20 Questions (Max Time 20 Min.)	-	10 Marks
b) Answer to Questions in Question-Answer Session after the presentation (any 2 out of 3)	-	10 Marks
Total	-	100 Marks

Supplementary Visuals: The maximum number of supporting visuals/slides/charts etc. permitted per presentation is restricted to 05 nos. altogether. The details of these are as given below:

a) Charts/Posters-maximum size permitted is 850 mm (width) X 600 mm (height). All charts/posters are to be mounted - one on top of other-as done in a calendar. One side of the chart/poster is considered as one unit. There should be no pop-ups.

b) Computer based Static slides (MS Office 2007 or higher in .ppsx, .pptx, .ppt, .pps format) without additional features like pop-up, animation, rollovers, etc. No interaction within one slide is permitted.

(Note: 3D models, animation, pop-ups, rollovers, videos and films in any form are NOT allowed)

2. **Science Drama:** All the HoSs of schools under DoE, GNCT of Delhi will conduct Science Drama for students (class 6th to 10th) in their School and will select only one team (a team can have maximum 8 students) for participation at zonal level. All such schools will register themselves at the link given in this circular (Refer the Guidelines for Schools).

All zonal conveners will organize the Science Drama for all the registered schools under their jurisdiction as per enclosed schedule (Annexure: I). The Zonal Convener will select one best participating team according to the criteria given below and send the details of such selected team to their respective Science Centre.

Further, the Science Centres will organize Science Drama for the teams selected at the zonal levels as per the schedule and will send the details of the team selected at the 1st position to the Science Branch for their participation at State Level Science Drama.

All the selected teams by Science Centres will participate at State Level and the details of teams selected for 1st and 2nd position at State Level Science Drama will be forwarded to National Science Centre for further participation.

Theme of the Science Drama: Science & Technology for the benefits of mankind (मानव जाति के कल्याण के लिये विज्ञान और प्रौद्योगिकी)

Sub-themes:

- Women in Science (विज्ञान के क्षेत्र में महिलायें)
- Smart Agriculture (आधुनिक कृषि)
- Digital India: Empowering Lives (डिजिटल इंडिया: जीवन को सशक्त बनाना)
- Hygiene for All (सभी के लिए स्वच्छता)
- Green Technologies (हरित प्रौद्योगिकियाँ)

Guidelines of Science Drama for students/participants:

1. The play can be based on any one of the above sub-themes and it needs to convey some definite scientific message.
2. It should totally engage the audience and convey educational message indirectly but effectively.
3. While writing the play, care should be taken regarding the settings, duration of the play and also the number of artists taking part in the drama.
4. The drama is expected to keep away from melodramatic acts or sloganeering.
5. The duration of the drama should not be more than 30 minutes.
6. There should not be more than 8 characters.
7. The drama team should be able to set up the props and other necessary requirements on stage quickly and should remove after the performance.
8. The language should be easy to follow (more of visuals preferred).
9. The drama can be in any Indian language (official).
10. The drama can have costumes, dance, music, mime and also models to enhance the quality and credibility of the drama.
11. Written posters / banners / A.V. aids can be used for illustration.
12. The participating school has to submit an authentic Hindi and English translation of the script to the organizer for participation well before staging the drama.
13. All entries must be original: This means that your script should not have been published elsewhere, in any form. The entry should not have been previously submitted to any competition (online or offline).
14. Generative AI use: Fully AI generated scripts cannot be submitted and will be disqualified at any level, when found. AI-aided submissions are allowed where AI is used to enhance or augment the drama, however, you must notify in your entry "AI aided writing" so that it is known that these tools were part of the process. The right to use the tools to detect AI writing is reserved.

Criteria of judgment in r/o the Science Drama (100 marks):

i- Scientific content in the drama	-	30 Marks
ii- Presentation of the drama	-	50 Marks
iii-Effectiveness of the drama	-	20 Marks

Guidelines for Schools:

- 1- HoSs of all schools of DoE, GNCT of Delhi will ensure maximum participation of students at their school level so that the best entries could be selected for participation in the Science Seminar and Science Drama at the Zonal level.
- 2- After selection of the entries for the Science Seminar and Science Drama at school level, registration of the participating students will be made by the HoS/Principal only by submitting the respective Google forms given herewith.
