GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI DIRECTORATE OF EDUCATION, SCIENCE & TV BRANCH OLD GARGI COLLEGE BUILDING, LAJPAT NAGAR-IV, NEW DELHI-110024 Ph. No.: 011-20904903; Email: greeningdelhi@gmail.com

F.No.DE.40(6)/90/SCB/2025/ 1945-1952.

Date 14/08/2015

Sub.- Swachh Evam Harit Vidyalaya Rating (SHVR) 2025-26- reg.

Please find enclosed DO letter No. 3-3/2025-SHVR dated 05/08/2025 received from Joint Secretary (I&T), Department of School Education & Literacy, Ministry of Education, GOI, New Delhi regarding Implementation of Swachh Evam Harit Vidyalaya Rating (SHVR)

The Swachh Vidyalaya Puraskar (SVP) was launched in the year 2016-17 by the Ministry of Human Resource Development (Now Ministry of Education), Department of School Education and Literacy, Govt. of India to recognize excellence in Water, Sanitation and Hygiene in schools. Consequently, Department of School Education & Literacy, Ministry of Education has revamped the guidelines of Swachh Vidyalaya Puraskar and renamed it as "Swachh Evam Harit Vidyalaya" (SHVR).

Swachh Evam Harit Vidyalaya Rating (SHVR) is a school-based initiative promoting hygiene, environmental awareness and responsible citizenship aligned with the National Education Policy (NEP) 2020.

They requested to separately identify a list of evaluators at District as well as UT Level for physical verification of all the schools and to ensure the following:-

- i. Organizing State/UT and District Level capacity Building Workshop after National Level Workshop by NCERT. The expenditure for State/UT Level from Samagra Shiksha allocated Budget.
- li. Wide disseminate of SHVR and 100% participation of all schools across at District and State/UT Level.
- iii. Timely submission of Workshop reports and School-wise implementation updates

The process for identifying and recognizing schools for rating is as below:-

- School participate in the SHVR 2025-26 through web can http://shvr.education.gov.in. or by downloading a mobile app, " Swachh Evam Harit Vidyalaya Rating 2025-26 from Google Play Store or Apple App Store.
- 2. School need to first "Sign Up" by using UDISE+ code of the school. School will need to verify the pre-filled information of; schools UDISE+code, Name, State, District and Block/ Zone. After verification, school will fill up additional basic information of school; Address of the school, Respondents/ HoS Name, Designation, mobile number, e-mail ID. School will also choose a password and confirm password.

In case the UDISE+ code number connected mobile number is different than the first update the mobile number with UDISE+ code.

- 3. School can login for SHVR 2025-26 by using UDISE + code and Password.
- 4. Schools will then proceed to Fill in the information as per the prescribed selfassessment format for the school level information under the Annexure- I (Section A -Primary information for registration) and (Section B - Assessment categories for survey completion along with photos uploaded and then go for submission. A pop up message on screen will appear informing successful submission.
- 5. Schools will have to mandatorily participate in the Swachh Evam Harit Vidyalaya Rating (SHVR) between 4th August to 30th September 2025. The last date of online submission by the schools is 30th September, 2025.

All District DDEs are requested to nominate one District Nodal Officer (DNO) from your district and submit their details using google link tracker by 18 .08.2025. Google link is as under:-

https://docs.google.com/spreadsheets/d/1pyik2HjDO5uclakJbOnSvj7fnNfoVwGeLx34I WjrqLo/edit?usp=sharing

The nominated DNOs should be expertize in Digital Technology, as the SHVR programme will be implemented through an online portal. The DNO shall also be responsible for overall monitoring and coordination with all schools within the district and also District level rating.

Additionally, each district must constitute a District Level Committee as per the norms of SHVR guidelines for selection of 08 schools(06 Rural schools-03 from each Category-I & II and 02 Urban schools -01 from each Category-I & II) having highest overall score with Rating not below Four Star for State/UT Level Rating. Copy of SHVR Guidelines and timelines are attached with circular.

Category-I (Foundation, Preparatory & Middle stage i.e. up to Grade 8)

Category-II (Grade 9-12)

School shall be eligible to be recognized with the certificate of merit at the District level if it scores at least 51% scores in each of the under six areas of SHVR:

- i.) Water
- ii.) Toilets
- iii.) Handwashing with Soap
- iv.) Operation and Maintenance
- v.) Behaviour Change and Capacity Building
- vi.) Mission LiFE (Lifestyle for Environment Activities)

In this regard, all the DDEs(District) are requested to disseminate the information to all the Govt. / Govt.Aided/ Private Unaided Recognized Schools of DoE under their jurisdiction to ensure 100% participation of schools.

This issues with the prior approval of the competent authority.

Prachi Pandey Joint Secretary (I&T)

D.O. No. 3-3/2025-SHVR

Dated 5th August, 2025

Respected Madam / Sir,

Rating (SHVR) 2025-26 has been launched on 29th July, 2025 by the Hon'ble Education Minister on the occasion of the celebration of the 5th-year of NEP 2020 at Akhil Bhartiya Shiksha Samagam (ABSS) 2025 at Bharat Mandapam, New Delhi. The SHVR, 2025 initiative is a revitalised, expanded and universal version of the earlier Swachh Vidyalaya Puraskar (SVP). All schools will now be rated and recognized based on a comprehensive 60-indicator based survey. The structural parameters of SHVR are aligned with the National Education Policy (NEP) 2020 and India's vision for a clean, green, and inclusive school environment. This initiative promotes behavioural transformation, environmental sustainability, and climate resilience in school education through a structured institutional framework.

- 2 For implementing SHVR 2025, the SHVR portal and mobile application have been developed to facilitate digital participation, self-assessment, and monitoring. Schools will have to mandatorily participate in the Swachh Evam Harit Vidyalaya Rating (SHVR) 2025–26 between 4th August and 30th September 2025, using either the mobile app or web portal as per their convenience. The SHVR website https://shvr.education.gov.in.also.provides.QR codes for downloading the Android and iOS mobile apps. For web portal-based participation, schools can use the Login/Signup option available at the homepage
- 3. A series of orientation workshops for 2025-26 will also be organized at the national level by NCERT in collaboration with UNICEF in a phased manner. The expenditure for the State-Level Capacity Building Workshop is to be borne by the States/UTs from the Samagra Shiksha allocated budget. Subsequent to the national-level workshops, States/UTs may ensure that all District Authorities conduct their localized capacity-building workshops in a timely manner and sensitize all stakeholders on the implementation strategy Detailed instructions on the SHVR framework, implementation strategy, capacity building plan, and roles and responsibilities of all stakeholders at each level are enclosed for reference.
- SHVR 2025-26 is designed as a mandatory programme for all schools having a UDISE code across the country, including Government, Government-aided, Private, Residential, Tribal, Minority, and centrally run schools (e.g., KVS, NVS) and CBSE-affiliated schools etc. It aims to empower schools to self-assess and improve across six key categories. Water, Toilets, Handwashing with Soap, Operation & Maintenance, Behaviour Change & Capacity Building and Mission LiFE activities.

- 5. The SHVR will be critical to creating a WASH & Mission Life data base for about 14.75 lakhs schools covering approximately 24.80 crore students. This portal will capture data related to sustainable environment, health and hygiene related parameters. This will be a universal database which will serve as a repository for other departments and will be a universal database which will serve as a repository for other departments and ministries for various analysis. On the basis of this database, state report cards will be generated on various parameters while the dashboard will be able to fetch districts report cards on the same parameters.
- States/UTs are requested to separately identify a list of evaluators at district as well as State level for physical verification of all the schools and to ensure the following:
 - Organizing State/UT and District-Level Capacity Building Workshop immediately after the national level workshop by NCERT.
 - Wide dissemination of SHVR and 100% participation of all schools across at district level and State/UT level.
- III. Timely submission of workshop reports and school-wise implementation updates on email.
- 7. I look forward to your support for the successful and timely implementation of SHVR 2025-26.

 Rend regards,

Yours sincerely.

Encl: As above

Prach Fanday (Prachi Pandey)

To,

- 1. The Principal Secretaries/ Secretaries (School Education) of all States/UTs.
- Heads of Organizations (KVS, NVS, C.I.S.C.E, CBSE, Atomic Energy Education Society Under Deptt. of Atomic Energy, Sainik Schools under Mio Defence, Eklavya Model Residential Schools under Ministry of Tribal Affairs).
- Director, NCERT for finalizing the modalities and logistics for organizing national level workshop before 14th August, 2025.

Copy to:

- 1. State Project Directors, Samagra Shiksha of all State/UTs
- Dr. Pratibha Singh, WASH Specialist, New Delhi, Nodal Point of Contact (NPC), to coordinate for 12 UNICEF presence States/UTs
- 3. UNICEF, State level WASH and CCES Specialists/Programme Officers for 12 States (I. Assam, II. Bihar, III. Chhattisgarh, IV. Gujarat, V. Jharkhand, VI. Karnataka, VII. Madhya Pradesh, VIII. Maharashtra, IX. Odisha, X. Rajasthan, XI. Uttar Pradesh and XII. West Bengal).
- Principals of RIE-Ajmer/Bhopal/Bhubaneswar/Mysore/NERIE Shillong & OSD Nellore along with all Heads of Departments/Divisions/Cells.
- 5. Directors of SCERTs of all States/UTs
- 6. SHVR 2025-26 Coordination Cell, CIET-NCERT

Reference Manual - Swachh Evam Harit Vidyalaya Rating (SHVR) 2025-20

1. Introduction

The Swachh Evam Harit Vidyalaya Rating (SHVR) 2025 is a revamped national initiative by the Ministry of Education, Government of India, aimed at transforming Indian schools into models of cleanliness, hygiene, and environmental sustainability It builds on the Swachh Bharat Swachh Vidyalaya Mission (2014) and the Swachh Vidyalaya Puraskar (2016–17), reflecting the vision of Hon'ble Prime Minister Shri Narendra Modi and aligning with the National Education Policy (NEP) 2020 SHVR 2025 introduces

- A 5-star school rating system
- Evaluation on WASH (Water health and sanitation) and sustainability parameters including behavioural change
- Integration of Eco Clubs under Mission LiFE
- A digital platform for self-assessment, validation, certification and Rating.

It seeks to motivate schools to adopt clean, green practices and recognize them at district, state, and national levels — making Indian schools globally recognized for their environmental leadership

2. Objectives

- . To promote clean, green, safe, and inclusive school environments.
- To evaluate and recognize schools excelling in hygiene, sanitation, and ecofriendly practices.
- To build institutional capacities in schools for sustainable development.
- To develop climate consciousness and life skills among students through school-based actions

3. Thematic Areas of SHVR

The SHVR framework is structured around the following six thematic areas:

- · Water: Availability, access, quality, rainwater harvesting.
- Toilets: Functional, safe, gender- and CWSN-friendly infrastructure.
- · Handwashing Adequacy, soap usage, and behavior reinforcement
- Operation & Maintenance: Waste disposal, cleanliness, asset upkeep
- Behaviour Change and Capacity Building Awareness campaigns, ecoclubs, student engagement.
- Mission LiFE-aligned Green Initiatives: Plantation, plastic reduction energy and water conservation.

4. Implementation Flow from School to National Level

- Online submission of applications by schools
- Assessment and evaluation of schools for recognition (certificate of ment) at district level

- Nomination of schools for State/UT level
- Assessment and evaluation of schools for recognition (certificate of merit) at state/ UT level
- Nomination of schools for national level
- Cross validation at national level for recognition certificate of merit) for schools
- National level ceremony

5. Participation Process

- All schools must register and complete the SHVR self-assessment on the designated portal or app. (website: https://shvr.education.gov.in/)
- · Schools are to submit evidence-based responses for each indicator
- External evaluations will follow for selected schools
- Schools will be awarded SHVR ratings (Bronze, Silver, Gold).

6. Responsibilities of Schools under SHVR

Its mandatory for all the schools to participate in SHVR 2025-26 by aligning their operations with the six thematic areas. Schools must engage all stakeholders—head teachers, teachers, students, school management committees (SMCs), and the community—to foster a clean, green, and inclusive learning environment.

i) Registration and Participation:

- All schools must register on the SHVR portal or mobile app.
- Self-assessment must be completed against the 60 defined indicators across six themes

ii) Evidence Submission:

- Schools are required to upload photographic and documentary evidence for each indicator.
- Uploads should reflect actual practices and infrastructure on school premises, with geotagged photographs.

iii) Development of Swachhata Action Plan (SAP):

- Based on the assessment, schools must prepare a SAP for addressing gaps and improving indicators.
- Action plans should be time-bound and feasible with participation from staff and students.

iv) Student and Teacher Engagement:

- Activate Eco-Clubs for Mission LiFE to support SHVR activities.
- Conduct regular awareness campaigns, hygiene drives, plantation activities, and conservation efforts

v) Maintenance and Monitoring:

- Ensure upkeep of school toilets, handwashing stations, and drinking water units.
- · Institute a routine inspection schedule for cleanliness and safety

vi) Inclusivity and Accessibility:

- Ensure infrastructure is accessible to Children with Special Needs (CWSN).
- Promote gender-sensitive sanitation and hygiene practices.

vii) Readiness for Evaluation:

- Be prepared for possible external validation and follow-up assessments.
- Cooperate with visiting assessors and provide access to facilities and records

7. Monitoring & Reporting

- · States to submit reports post State-level workshops
- Regular updates to MoE/CIET on school participation and technical issues.
- · Feedback from districts to refine implementation support.

8. Timelines for the Event:

Key Stages	Timeline (tentative)
I-Online submission of applications by the schools	Two months starting from First week of August 2025
2- Assessment and evaluation of schools for recognition (certificate of merit) at the district level	End of October 2025
3- Nomination of schools for the State/UT level	By First week of November 2025
Assessment and evaluation of schools for recognition (certificate of merit) at the state/ UT level	By First week of December 2025
5- Nomination of schools for the National level	His second week of December 2025
o- Cross validation at National level for recognition (certificate of merit) for schools	Stans from second week of December 2025 to second week of February 2026
7- National level ceremony	To be finalized later on

9. Outcomes:

- Ensure 100% school participation in SHVR 2025–26 from all districts and categories.
- Establish robust coordination mechanisms for timely planning, training, and assessment

- Facilitate capacity building at all administrative levels, promoting decentralized planning.
- Encourage innovation, ownership, and sustainability in school hygiene and green practices.
- Serve as a proactive point of contact for feedback, troubleshooting, and mentoring.

10. Special Incentives for School Leaders:

- ₹1 Lakh Composite Grant: Principals/Headmasters of nationally awarded schools will receive an incentive of ₹1 lakh, provided as a composite grant for improving hygiene and green infrastructure.
- 3-Day Experiential Exposure Trip: Selected school heads will be offered a three-day education experiential visit to premier institutions of our country. This initiative aims to inspire innovative leadership in sustainability, science, and eco-education.

11. Eco-Clubs and Flagship Campaigns:

Schools are encouraged to

- Activate or strengthen Eco-Clubs.
- Lead activities such as: i) "Ek Ped Maa Ke Naam" a nation-wide plantation drive dedicated to mothers and Mother Earth. You can know more about it by visiting https://lusof.gov.in/en/ek-ped-maa-ke-naam NCERT also dedicates a special module on the concept, to explore more, you can visit https://incert.nic-in/special-modules-php?in=en-ii) Mission LiFE campaigns energy saving, plastic-free campuses, water conservation, etc.

12. Support & Contact:

For guidance, States/UTs may contact - SHVR Cell, CIET-NCERT: shvr.support@ciet.nic in

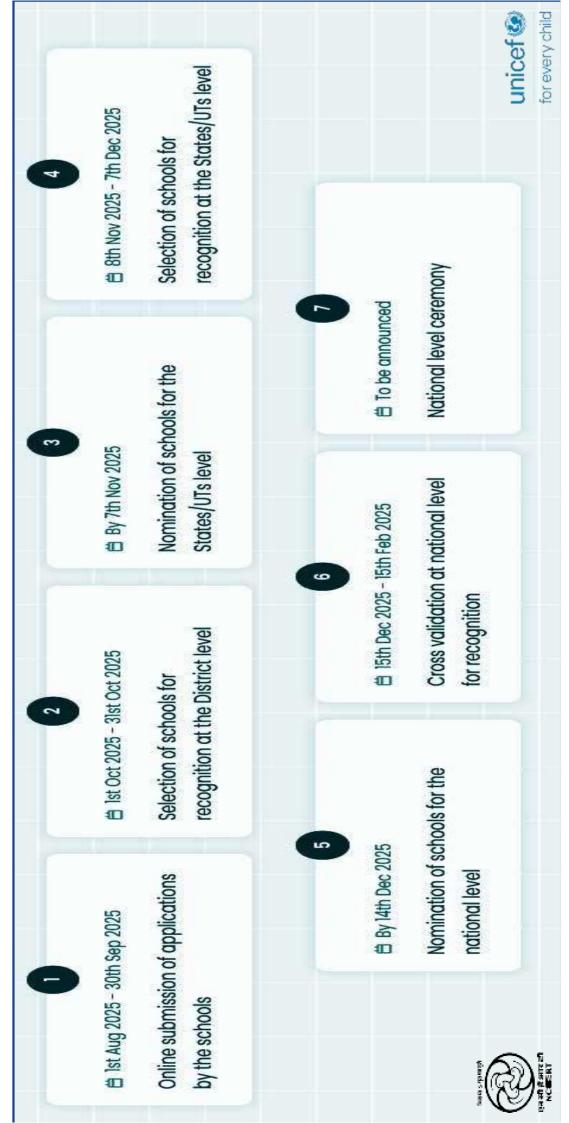

Toll free number- 8800-440-559

-Relevant RIEs/SCERTs - UNICEF State Offices (for supported states)

CHAPTER **01**

SWACHH BHARAT SWACHH EVAM HARIT VIDYALAYA

A National Mission

As Hon'ble Prime Minister Shri Narendra Modi said in Mann Ki Baat, "Just like a mother, a tree nurtures us silently, selflessly and unconditionally – expecting nothing but love in return."

ater, Sanitation and Hygiene in schools play a significant role in determining the health of children, attendance, dropout rate and learning outcomes. The provision of water, sanitation and hygiene facilities in school secures a healthy school environment and protects children from illness and exclusion. It is the first step towards a healthy physical learning environment, benefiting both learning and health. Children who are healthy and well-nourished can fully participate in school and get the most from the education being imparted. Due to vulnerability of children because of climate change, there is a need to focus on eco-friendly schools and lifestyle for health related, education and environmental outcomes.

In 2014, The Ministry of Human Resource Development (now Ministry of Education), Government of India launched "Swachh Bharat Swachh Vidyalaya (SBSV)" initiative to ensure that all schools in India have access to separate functional toilets for boys and girls. The initiative lays emphasis on promoting safe and appropriate hygiene practices in schools and behaviour among children.

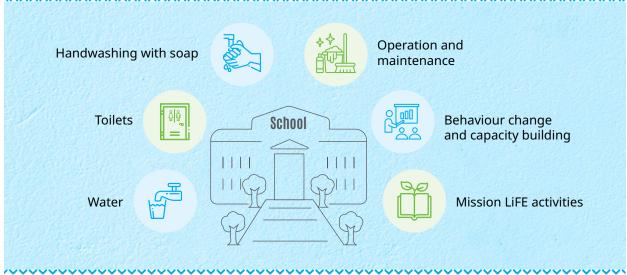

Stakeholders like school teachers, students, child cabinets and eco-clubs have a key role to play in this process; so that their skills and capacity

development are of critical necessity. Swachh Evam Harit Vidyalaya Rating (SHVR) provides a ready opportunity to inculcate relevant fundamental duties; citizenship skills and values among the students with linkage to environmental awareness including water, sanitation and hygiene, resource conservation as visualized under the National Education Policy (NEP) 2020.

It is required that the components of this basic minimum package are commonly understood and used by all schools as a means to achieve desired service levels in water, sanitation, hygiene and environmental practices. Following

Figure 1: Swachh Evam Harit Vidyalaya Rating Criteria

the launch of the initiative, the state, district and local Governments as well as schools across the country have significantly improved sanitation facilities in schools. They are striving to improve access and have introduced child friendly designs, maintenance practices, effective monitoring using ICT tools, behaviour change communication, new financing options and forging partnerships. The schools are now more sensitive towards making WASH facilities accessible to Children with Special Needs (CWSN), incorporating provisions for improved menstrual hygiene like access to safe hygienic sanitary products and safe disposal facility, water conservation measures like efficient use/ saving, recharge, harvesting and Operation and Maintenance (O&M) measures like repair, retrofitting, convergence, etc.

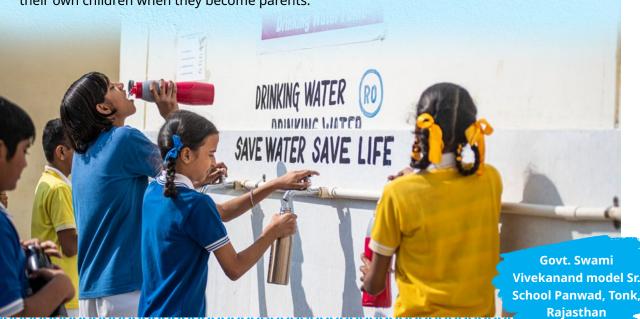

In the past, Swacch Vidyalaya Puraskar (SVP) besides recognizing the local efforts, was instrumental in engaging school for

assessing own situation against the key WASH performance level (through benchmarking approach). Now SVP is upgraded to Swachh Evam Harit Vidyalaya Rating (SHVR). SHVR based situation analysis is instrumental to identify infrastructure and service level gaps leading to development of school level Swachhata Action Plan (SAP), as envisaged under Samagra Shiksha. The Swachhata Action Plan (SAP) in turn can be effectively utilized by schools, to mobilize resources & transform school WASH, through active convergence & support of key stakeholders (Rural/ Urban Local Body, Corporate Social Responsibility (CSR), local donors, community). Through SAP, thousands of schools have demonstrated various local approaches to develop and sustain improved WASH services in respective schools.

These good practices need to be recognized and shared for accelerating and sustaining the achievements of the Swachh Vidyalaya initiative.

Schools are an established entry point for learning. They present an opportunity to engage parents and community in general, either through knowledge dissemination via children or through direct engagement and demonstration at the school. Children are fast learners and adapt their behaviour more easily than adults. Children are also effective role models. They may question existing practices in their households and choose to demonstrate good hygiene. What they learn at school is likely to be passed on to their peers and siblings, and to their own children when they become parents.

CHAPTER 02

SWACHH EVAM HARIT VIDYALAYA RATING (SHVR)

CHAPTER 03

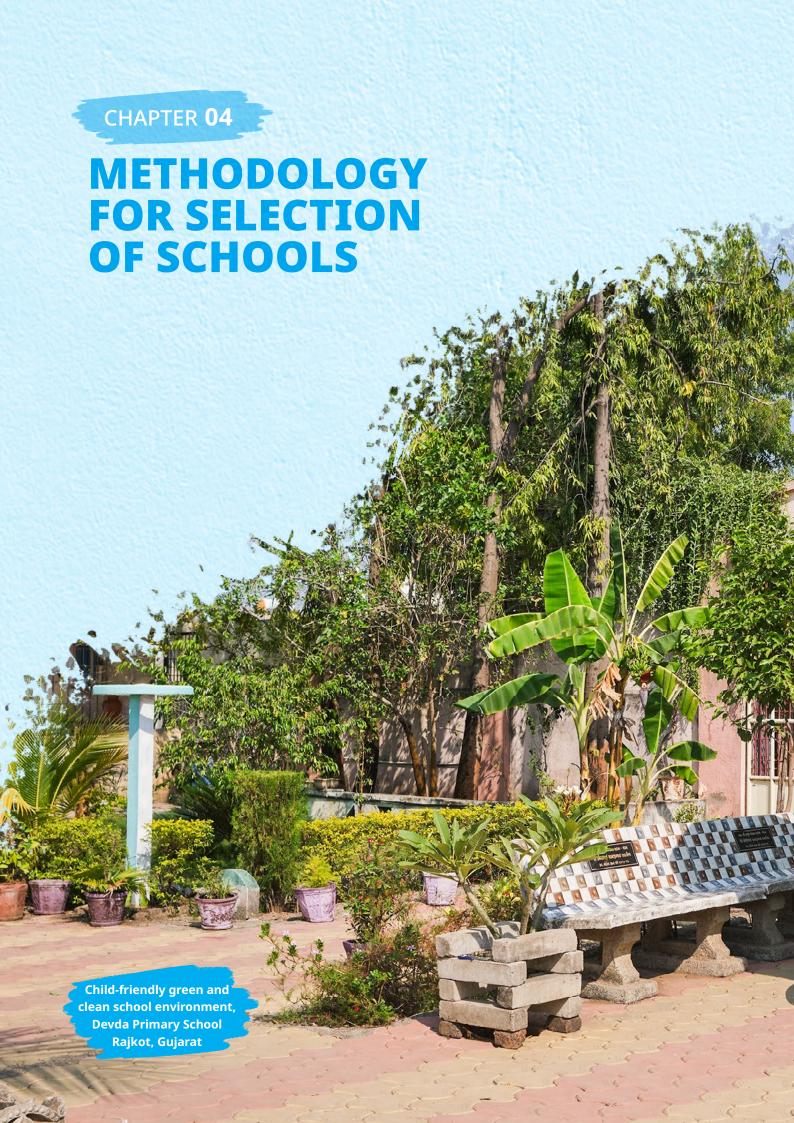

ELIGIBILITY CRITERIA

he process for identifying and recognizing schools for rating is as below:

- 1. School can participate in the SHVR 2025-26 through web portal https://shvr.education. gov.in or by downloading a mobile app, "Swachh Evam Harit Vidyalaya Rating 2025-26" from Google Play Store or Apple App Store.
- 2. School need to first "Sign Up" by using UDISE+ code of the school. School will need to verify the pre filled information of; school's UDISE+ code, name, State, district, block, village. After verification, school will fill up additional basic information of; Address of the school, respondent's name, designation, mobile number, email ID. School will also choose a password and confirm password. Post this, school will need to press the "sign-up" button. A pop up message "Sign Up Successful" will appear on screen and an email and mobile confirmation will be received for the same. School should take note of the password generated as that will be used for login purpose.
- 3. School can "Login" for SHVR-2025-26 by using "UDISE+ code and the password".

- Password should be the same as selected during sign up phase. Schools will then proceed to fill in the information as per the prescribed self-assessment format for the school level information under the Annexure 1 (Section A: Primary information (for registration) & Section B: assessment categories (for survey completion), along with photo upload. After completing the form, school will click the "submit" button. A pop up message on screen will appear informing successful submission.
- 4. The website/mobile app is customized to cater to different categories of schools. Schools are expected to provide accurate information as required in the format.
- 5. The information in the format corresponds to the requirements in SHVR guidelines. Annexure 2 provides the list of indicators categorized under (a) Water (b) Toilets (c) Handwashing with Soap (d) Operation and Maintenance and (e) Behaviour Change and Capacity building & (f) Mission LiFE activities
- 6. Maximum scoring for each parameter is given in Table 1:

Table 1: Scoring assigned to Swachh Evam Harit Vidyalaya Rating (SHVR) **Parameters**

Sub-Categories	Maximum Score
Water	22
Toilet	27
Handwashing with Soap	14
Operation and Maintenance	21
Behaviour Change and Capacity Building	20
Mission LiFE activities	21
Total	125

- 7. The performance of the schools against different categories will be scored as per the method given in Annexure 3.
- 8. On the basis of the scores obtained, the schools would be given a star rating as described in Table 2.

Table 2: Performance level based on the Compliance to the Swachh Evam Harit Vidyalaya Rating (SHVR) parameters

Score	Star Rating	Remarks
90% - 100% of the Norms#	****	Excellent, Keep it up
75%- 89% adherence to the Norms	***	Very Good
51% - 74% adherence to the Norms	***	Good, but there is a scope for improvement
35%- 50% adherence to norms	**	Fair, Needs Improvement
Below 35% adherence to the Norms	*	Poor, Needs considerable Improvement

[#] Norms signifies, the maximum total score for the concerned school category as in Annexure- 3.

ating" at the District, State and National level is as follows:

i) District Level Rating:

- Concerned department will appoint a Nodal Officer, at the district level to overview & coordinate the implementation of the SHVR activities in the district.
- Online (web/ mobile) applications received before the cut-off date will be screened by a District level Committee headed by the District Collector (or her/his appointee) and comprising of District Education officer, three eminent school teachers, Superintendent Engineer (Water supply / PHD), District Health Officer and two members from civil society organizations/ NGOs.
- School shall be eligible to be recognized with certificate of merit at the district level, if it scores at least 51% score in each of the six sub-categories.
- Key classification for the school recognition under SHVR would follow National Education Policy 2020 structure considering following two categories in respective Rural and Urban areas
 - 1. Category-I (Foundational, preparatory, and middle stages i.e. Balvatika to Grade 8)
 - 2. Category-II secondary (Grade 9-12)
- While star rating of school is applicable for each school, there will be 4 categories of schools for recognition (certificate of merit) which are: Rural - category-I, Ruralcategory-II, Urban - category-I, Urbancategory-II
- RURAL: Three schools from Category-I and three schools from Category-II having the highest overall score with rating not below

- Three Star will be recognized for the District level certificate of merit (Total 6 schools).
- URBAN: One school each from Category-I and Category-II having the highest overall score with rating not below 'Three Star' will be recognized for the District level certificate of merit (Total 2 schools).
- The District Level Committee may get a physical verification of schools done through eligible evaluators decided by the committee based on the number of schools to be assessed. Suggestive eligible evaluators may include but are not limited to the following- Government officials from key departments (e.g., PHED/Drinking Water and Sanitation, Panchayati Raj/Rural Development, Forest Department etc.), individuals, consultants, trainers, resource persons/experts/front line workers associated with social audit of relevant schemes such as Swachh Bharat Mission-Gramin/Urban, MGNREGA etc; officials from DIET; and representatives from local institutions, civil society organizations, public representatives, NGOs, or youth groups etc. The verification will be conducted using a standardized checklist and by capturing photographs through the SHVR App. A prior orientation of evaluators is essential to ensure the quality and consistency of the assessment.
- Each of the selected schools with the highest overall score (Total 8) will be given recognition (certificate of merit) at district level. District may like to felicitate the winners at district level through a ceremony.
- Each of the selected schools with highest overall score (Total 8) conforming to eligibility criteria for State level, should be eligible for nomination for the State/UT level recognition (for certificate of merit).

Schools in aspirational districts and bordering village area should be encouraged to participate in the SHVR process.

(ii) State/UT Level Rating:

- Concerned department will appoint a Nodal Officer at the State level to overview & coordinate the execution of the SHVR activities in the State.
- Schools selected for recognition (certificate of merit) at District Level with overall rating not less than Four Star will be considered to be nominated for the State/UT Level recognition (certificate of merit).
- These schools will be screened by a State/
 UT Level Committee headed by the State
 Education Secretary or her/his nominee
 and comprising of Director (Education),
 Director (Health), two eminent school heads
 (selected by the State Education Secretary),
 Chief Engineer (Water Supply & PHD),
 Director (Panchayati Raj), Director (Urban
 Local Bodies), representatives of Civil Society
 Organizations as members.

- Out of total 20 schools, ten schools from Category-I and ten schools from Category-II level (with 7 from Rural and 3 from Urban each) having the maximum score and rating not less than four stars will be selected for State/UT level recognition (certificate of merit).
- The State/UT Level Committee may get a physical verification of the schools by a team consisting of officers/ team nominated by the State/ UT. Suggestive eligible evaluators may include, but are not limited to: Government officials from key departments (e.g., PHED/Drinking Water and Sanitation, Panchayati Raj, Rural Development, Forest Department etc.), individuals, consultants, trainers, resource persons, or experts associated with social audit of relevant schemes such as Swachh Bharat Mission, Mission LiFE, or MGNREGA; officials from key institutions such as SCERT, State Institutes of Rural Development; students/ officials from higher education institutions (colleges/Universities/IIMs, IITs etc.) and reputed research/academic bodies, representatives from key organisation,

civil society organizations, public representatives, NGOs etc. The verification will be conducted using a standardized checklist and by capturing photographs through the SHVR App. A prior orientation of evaluators is essential to ensure the quality and consistency of the assessment.

- A maximum of 20 schools selected at State/ UT level will be recognized with a certificate of merit.
- The State/UT may also decide to confer these schools with additional grants/funds for incentivizing them for sustaining their status, and may like to felicitate State level ceremony.
- Recognition (certificate of merit) will be given based on the overall score. A maximum of 20 schools with five-star rating, (7 from Category-I - rural, 7 from Category-II rural, 3 from Category-I – urban, 3 from Category-II - urban), those conforming to national level selection criteria, from each State/UT would be considered for nomination for the National Level for recognition (certificate of merit).

(iii) National Level:

- ❖ A maximum of 20 schools having 5 STAR rating (7 from Category-I - rural, 7 from Category-II - rural, 3 from Category-I - urban, 3 from Category-II - urban), nominated from each State/ UT Level will be considered eligible for National level recognition (certificate of merit).
- At the national level, 200 top schools shall be recognized with a certificate of merit considering category wise schools for recognition as — 70 from rural Category-I, 30 from urban Category-I, 70 from rural Category-II and 30 from urban Category-II.

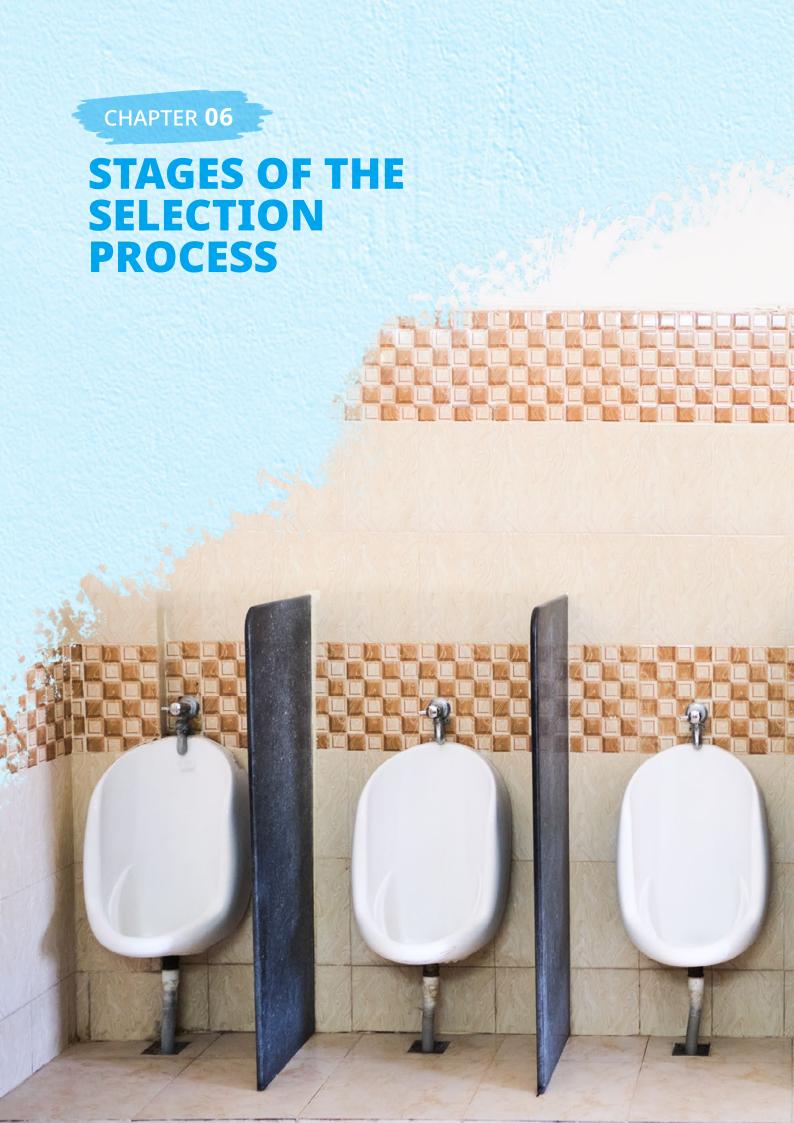

- Physical verification of the nominated schools will be done using a check list and by taking photographs and videography.
- A National level committee headed by the Secretary (School Education & Literacy) and comprising of Joint Secretary (Department of Drinking Water and Sanitation, Ministry of Jal Shakti), Joint Secretary (Ministry of Environment Forests and Climate Change (MoEFCC), Joint Secretary (Ministry of Health and Family Welfare), Secretary (School Education), 3 experts in Schools/ Bilateral agencies/Civil Society Organizations (to be nominated

Secretary, School Education & Literacy) as members will decide the list of 200 schools to be recognised (certificate of merit).

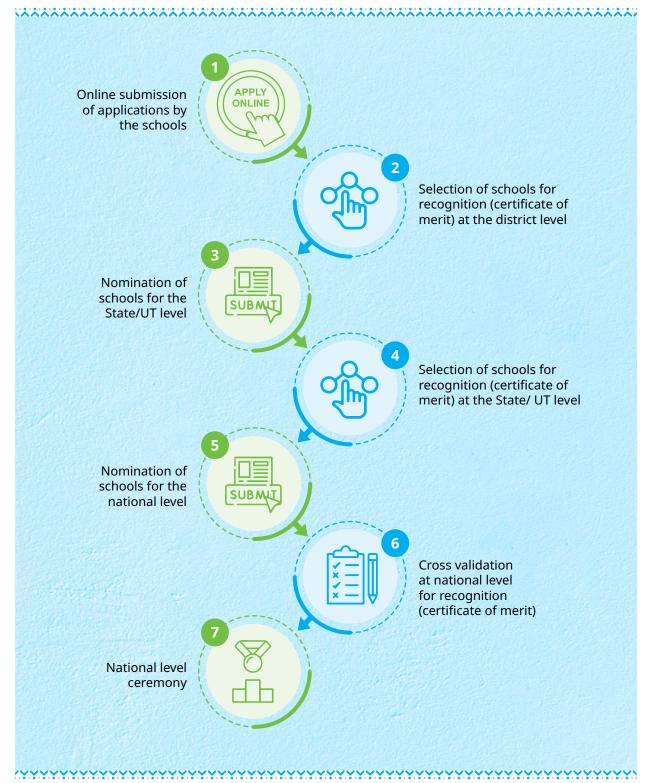

- Schools with exemplary performance in the Swachh Evam Harit Vidyalaya Rating (SHVR) will be recognized and incentivized at the national level as per decision of the DoSEL, Ministry of Education, Govt. of India.
- Incentives to government schools recognized at the national level would be given Rs 1 lakh per school as an additional fund in the composite school grant with appropriate direction for the utilization of

- this incentive amount. For Private school also it would be given as an incentive fund with the appropriate directions for the utilization.
- Principals/Headmasters from the 200 recognised schools at the national level would be given opportunity for experiential and educational learning tour to the places of their choices from the selected list of optional places.
- Three (3) best performing States/UTs and 10 best performing Districts shall be recognized.

Stages of the selection process are as per the following*

^{*} Dates for these stages' timelines will be finalized and communicated at the time of the launch.

SELF-ASSESSMENT FORMAT FOR SCHOOL-LEVEL INFORMATION

Section A: Primary information

A 1.	U	UDISE+ Code:			
A 2.	Na	ame of School and Address:			
	•••••				
A 3.	Na	ame of Respondent:			
A 4.	De	esignation of Respondent:			
	a)	Principal/Head Teacher			
	b)	In-charge Head of the school			
	C)	Teacher			
	e)	Other staff of the school			
A 5.	Co	ntact Details of Respondent			
	a)	School Phone No:			
	b)	Mobile No:			
	c)	Email id:			
A 6.	Sc	hool Management			
	a)	Government schools			
		Sub Category:			
		a.1) Kasturba Gandhi Balika Vidyalaya (KGBV),			
		a.2) Ekalavya Model Residential School			

		a 3) State/ UT Govt. schools
	b)	Government aided Schools
	c)	Specified Category Schools
		Sub Category:
		a.1) Kendriya Vidyalaya
		a.2) Navodya Vidyalaya (JNV),
		a.3) Sainik School
		a.4) Any other school having distinct character
	d)	Private Schools
A 7.	Sc	hool type (use)
	a)	Residential
	b)	Non-residential
A 8.	W	hether school comes under aspirational district? (Y/N)
	Ye	s No
	Ind The ed inf	ote : The aspirational districts program is led by anchored in NITI Aayog, Government of dia to transform 112 districts across 28 States in India through a mass movement approach be program focuses on key sectors critical to these districts as: health and nutrition, ucation, agriculture and water resources, financial inclusion and skill development, and basic rastructure (including roads, potable water, rural electrification, and household toilets), list in be found here - http://103.210.73.67/about)
A 9.	W	hether school is located in border village? (Y/N)
	Ye	s No
A 10.	Cla	assification of the school as per the NEP 2020 categories
	1	Category-I Foundational (Balvatika to Grade 2)
	2	Category-I Preparatory (Grade 3-5)
	3	Category-I Middle (Grade 6-8)
	4	Category-II Secondary (Grade 9-12)

A 11. Category of School

- a) Primary only with grades 1-5
- b) Upper primary with grades 1-8
- c) Higher secondary with grades 1-12
- d) Upper Primary only with grades 6-8
- e) Higher secondary with grades 6-12
- f) Secondary with grades 1-10
- g) Secondary with grades 6-10
- h) Secondary only with grades 9 & 10
- i) Higher secondary with grade 9-12
- j) Higher secondary/ Jr. College only with grades 11 & 12

A 12. School type (boys / girls)

- a) All boys' school
- b) All-girls' school
- c) Co-education

A 13. Usage of school premises

- a) Single School Single shift
- b) Single School Double shift
- c) Multiple Schools on premises with different UDISE+ codes
- d) Single school that runs in more than one campus
- if b) Please answer the rest of the form for only "one shift" (select the shift with higher enrolment for the entry and fill all the subsequent information on that only)
- if c) Please answer the rest of the form for only 'one school", whose UDISE+ code is entered
- if d) Please answer the rest of the form for only 'one campus' where maximum number of students are enrolled

A 14.	Ye	ar of Establishment of the School:	
A 15.	Location of the School		
	a)	Rural Area	
	b)	Urban Area	
A 16.	Na	ame of Board	
	a)	State	
	b)	Others, Specify board (hint: CBSE, ICSE, International etc)	
A 17.	Νι	umber of students enrolled in the school:	
	a)	Number of Boys	
	b)	Number of Girls	
A 18.	Νu	ımber of Children with Special Needs:	
	a)	Number of Boys	
	b)	Number of Girls	
A 19.	Nι	umber of Teachers and Staff:	
	a)	Number of Male	
	b)	Number of Female	
A 20.	To	tal number of water points in the school	
A 21.	To	tal number of toilets in the schools	
	a)	Number of toilets (boys) =	
	b)	Number of toilets (girls) =	
A 22.	To	tal number of urinals in the schools	
	a)	Number of urinals (boys) =	
	b)	Number of urinals (girls) =	

A 23. Does the school have a functional system for safe disposal of wastewater (greywater) near drinking water stations/ points? (Select one of the best applicable)

- No safe disposal arrangement/ system not functional/ drain in open)
- b) Disposed in functional soak pit
- c) Used in kitchen garden
- d) Connected to a drain/channel with safe disposal
- e) Treated for reuse

A 24. Does the school have a functional system for safe disposal of wastewater (greywater) near handwashing stations/points? (Select one of the best applicable)

- a) No safe disposal arrangement/ system not functional/ drain in open)
- b) Disposed in functional soak pit
- c) Used in kitchen garden
- d) Connected to a drain/channel with safe disposal
- e) Treated for reuse

A 25. Has the school won recognition (certificate of merit) at different level in SVP 2016-17, SVP 2017-18 and SVP 2021-22 under overall school category? If so, please specify the level of recognition (certificate of merit)

SVP	2016-17	SVP 2017-18		SVP 2021-22	
Level	Response (Yes/ No)	Level	Response (Yes/ No)	Level	Response (Yes/ No)
a. District		a. District		a. District	
b. State		b. State		b. State	
c. National		c. National		c. National	

A 26. Has the school developed and implemented a Swachhata Action Plan (SAP)?

- a) No
- b) Yes
- A 27. Is the school aware of the requirements of the Standard Operating Procedures (SOPs) for Sustaining Water, Sanitation & Hygiene in schools (https://schooledn. py.gov.in/ssarmsa/pdf/SOP for WASH - 14-10-2021.pdf)?

- a) No
- b) Yes

Section B: Assessment Categories

- Access to Safe, Adequate and Reliable Drinking Water
- **Availability of Water for Use in Toilet and Handwashing**

Key indicative norms and standards (water)

SN	Provision	Non-Residential	Residential		
1	Water source	At least 1 dedicated safe drinking water source within school premise			
Testing of the potable water to			be done at regular interval		
		Source to be located at least 10 meters	away from the toilet leach pit		
2	Drinking water requirement	1.5 litre per person per day	5 litre per person per day		
		The tank capacity accommodates a but emergency (for 2 days) (SSHE)	ffer storage reserve in case of		
3	General water Requirement	45 litre per head	135 litre per head		
4	Ablution tap	1 in each water closet	1 in each water closet		
5	Drinking Water Points	1 for every 50 pupils or part thereof

SURVEY

What is the main source of drinking water, available in the school campus?

(please select the source used by most students in case of multiple drinking water sources)

- a) No drinking water source available in school campus (students may bring water from home / use outside source)
- b) Unimproved Source*: Unprotected- well/ spring, surface water: lake, river, stream, pond, canals, irrigation ditches
- c) Improved Source*: Hand pump/ Boreholes/ tube wells or packaged water (bottled / sachet) protected- well/spring/ rainwater catchment/ harvesting (collection), Delivered water (Tanker- trucks /Cart with small tank / drum).
- d) Piped Water Supply
 - * The main drinking water source is of an "improved" type. An "improved" drinking water source is one that, by the nature of its construction, adequately protects the source from outside contamination, particularly faecal matter. "Improved" water sources in a school setting include piped, protected well/spring (including boreholes/tubewells, protected dug wells and protected springs), rainwater catchment, and packaged or delivered water. "Unimproved" sources include unprotected well/spring, and surface water (e.g. lake, river, stream, pond, canals, irrigation ditches) or any other source where water is not protected from the outside environment.

If (a) then questions 2-6 are not applicable to your school. Go to question number 7

- Is adequate drinking water (at least 1.5 litre per child per day in non-residential & 5 litre per child per day in residential school) available from this water supply, all days throughout the year?
 - a) No
 - b) Yes
- 3. How is drinking water stored and handled by most of the students?
 - a) No storage system for storing drinking water
 - b) Container /pitcher only
 - c) Container/pitcher with lid and ladle/ tap
 - d) Storage tank with water taps
- Is the drinking water treated regularly (safe drinking water availability) to make it safe for consumption?"
 - a) No treatment
 - b) Filtration/ Solar disinfection

- c) Boiling/ Adding chlorine/ Bleaching powder (Chlorination)/
- d) Advanced treatment unit (RO, UV, micro-filtration, etc.) / Treated water at source- No treatment required.

Note: Chlorination is a process in which chlorine is added to disinfect water from disease causing germs. One should wait about 30 minutes after the addition and before consumption, so that there is free residual chlorine (FRC) available in water afterwards. The concentration of FRC should be between 0.2 and 0.5 mg/l.)

Is the quality of drinking water tested from the authorized lab (please upload the copy for the latest test report)?

- a) No testing
- b) Tested once in a year
- c) Tested twice or more in a year

How many functional drinking water points are there in the school?

Note: Count the total number of drinking water points at the school for students. Drinking water point refers to any point where children can get water to drink when needed. These could include, but are not limited to, piped taps, water coolers and buckets with taps, and functional pitchers.

What is the main source of water for use in toilets? 7.

- a) No water supplies available
- b) Hand pump/ bucket/ tap near toilet unit / Drums/ cement tanks/ plastic containers with water inside the toilet unit
- c) Running water with taps inside each toilet unit

If (a) then question number 22 and 23 are not applicable to your school.

What is the main source of water used for hand washing before PM POSHAN (earlier 8. Mid-Day Meal)/ lunch by students and cooks?

- a) No water supplies available
- b) Hand pump/ bucket, drums/ cement tanks/ plastic containers with water near hand washing area
- c) Running water with taps at all the hand washing points

If (a) then question number 24, 25 and 26 are not applicable to your school.

Is there a functional rainwater harvesting facility in the school? 9.

- a) No
- b) Yes

- Availability of Separate Functional Toilets for boys and girls
- **Availability of Separate Functional Urinals for boys and girls**
- ❖ Functional Toilet Facilities for Children with Special Needs

Key indicative norms and standards (toilets):

SN	Provision	Non- residential school	Residential school
Α	Toilet Block		
1	Toilet/ Squatting pan	 1 unit for every 80 boys or part thereof 1 unit for every 40 girls or part thereof 	 1 unit for every 20 boys or part thereof 1 unit for every 20 girls or part thereof
2	Toilet for CWSN	 At least one toilet designed for children with special needs 	 At least one toilet designed for children with special needs
4	Safe Menstrual waste disposal (incinerator)	• Facilities (Incinerator) for sa absorbents*.	fe disposal of used menstrual
5	Cloth hanging hooks	Hooks in each toilet (at leas	t 2)

SN	Provision	Non- residential school	Residential school	
6	Ventilation arrangement	• 1 opening in each toilet (450 mm x 450 mm) at appropriate height and location		
7	Secure Door	• 1 door with latch in each Water Closet (WC) as per School Sanitation and Hygiene Education (SSHE)		
8	Niche/ rack in wall (Girls' Toilet)	• 1 niche/ rack in each girl's to (SSHE)	oilet to keep the sanitary napkins	
В	Urinal Block			
1	Urinal	• 1 urinal per 20 boys (SSHE)		
		• 1 urinal per 20 girls (SSHE)		
2	Self-cleaning system	• 1 flushing system in each un	rinal (SSHE)	
3	Ventilation arrangement	• 1 opening for ventilation in	each urinal	

Source: NBC 2016, SSHE 2012 & National Guideline for the Menstrual Hygiene Management, By Ministry of Drinking Water and Sanitation, Government of India, 2015

10. Does the school have separate toilets for boys and girls in working condition?

- a) There are no toilet units for both boys and girls
- b) If co-education, the same toilet unit is used by boys and girls
- c) The "all-boys school"/ "all-girls school" has toilet units
- d) If co-education, there is at least one toilet unit each for boys and girls

If (a) then question numbers 11, 13 to 18 are not applicable to your school. If (b) then question numbers 11 is not applicable to your school.

11. How many toilet seats in working condition does the school have for boys and girls?

(Note: functional toilet must meet the following criteria: (1) water is consistently available for use in toilet (2) there should be minimal or no foul odor, (3) the toilet seat is intact, without cracks and undamaged, (4) It should be kept clean and dry (5) The drainage system is functional without blockages (not chocked), (6) It is easily accessible (including safe approach passage) to all users, and (7) the door is closable and in good condition. If any of these conditions are not met, the toilet should not be considered functional.)

a)	Boys
b)	Girls

12.	Но	ow many urinals does the school have in working condition for boys and girls?
		(Note: Functional urinal must have a smooth floor for cleaning, privacy screens/ divide between urinals for privacy, proper slope for safe drainage, no foul smell, a functional soak pit attached; if any of these conditions are not met, urinals should not be considered functional.)
	a)	Boys
	b)	Girls
13.	ac	es the school have toilets accessible to the Children with Special Needs (CWSN) (an cessible toilet for CWSN, is one that if there is a functional toilet with ramp, handrail, d wide door for wheelchair entry inside toilet)?
	a)	Toilets are not accessible to CWSN
	b)	There is at least one separate toilet for CWSN with ramp and handrail.
	c)	The school has at least one separate toilet for CWSN with ramp, handrail, and wide door for wheelchair entry and support structure inside toilet.
14.	. Are the toilet facilities suitable for children of various age groups available in the school?	
	a)	Yes
	b)	No
15.	Do	oes the school have separate toilets for teachers/staff?
	a)	No
	b)	Yes
16.	Do	all the toilets in the school have secure door with latch?
	a)	No
	b)	Yes
17.	Do	all the toilets in the school have cloth hanging hooks, at appropriate height?
	a)	No
	b)	Yes

- a) No
- b) Yes
- 19. Does the school have separate dustbins with lid and with specific colors for disposal of menstrual waste?
 - a) No
 - b) Yes
- 20. Which of the following option is used by the school for safe treatment/ disposal of sanitary waste? (an incinerator in working condition maintaining adequate burning temperature, disposal mechanism for safe disposal deep burial of waste with adequate precautions)
 - a) No specific measures
 - b) Deep burial pit
 - c) Disposed in an electric Incinerator
- 21. What is the main mechanism for disposal of toilet waste / faecal sludge?
 - a) No specific measure / sludge released in open/ septic tanks without cover or broken cover
 - b) Leach pits with sturdy and solid cover (prevents contact with flies/accidental overspill)
 - c) Septic tank/bio-toilets/ sewer line with sturdy and solid cover

Key indicative norms and standards (Handwashing with Soap):

SN	Provision	Non- residential school	Residential school
1	Handwashing points	One for every 20 children (SSHE)	1 point for every 20 children (SSHE)
2	Soap Tray with soap	1 tray with every 2 wash taps/ point (SSHE)	

Functional Handwashing with Soap Facilities for Use Before Meals

Source: SSHE 2012

22. Does the school have facility for hand-washing after use of toilet?

- a) No hand washing facility next to toilet
- b) Wash basin or hand washing point with water provision (other than running water) next to the toilet units

c) Wash basin either inside or next to every toilet unit with running water

If (a) then question number 23 is not applicable to your school. Please go to Q. 24

23.	Do	es the school provide soaps for hand washing after use of toilets?
	a)	No soaps are available
	b)	Soaps are available on demand
	c)	Soaps are available at all the hand washing points all the time
24.		es the school have facility for hand-washing before PM POSHAN (earlier Mid-Day eal) / lunch where a group of children can practice hand washing at the same time?
	a)	No
	b)	Yes, with water from hand pump/bucket
	c)	Yes, with running water from taps
		If (a) then question numbers 25-27 are not applicable to your school. Please go to Q. 28
25.		es the school provide soaps for hand-washing before PM POSHAN (earlier Mid-Day eal) / lunch?
	a)	No soaps are available
	b)	Soaps are available on demand
	c)	Soaps are available at all the hand-washing points at all the times
26.		all children wash their hands with soap before PM POSHAN (earlier Mid-Day Meal) unch?
	a)	No
	b)	Yes
27.		the height of hand-washing facilities suitable for children of various age groups in e school?
	a)	No
	b)	Yes

- * Safe Disposal of wet waste (biodegradable waste), dry waste (nonbiodegradable waste) and Liquid Waste
- Cleaning and Maintenance of School Environment
- 28. Does the school provide sufficient dustbins in each classroom, kitchen area and at other common waste generating areas?
 - a) No
 - b) Yes
- 29. Does the school segregate waste at source (bio-degradable waste and nonbiodegradable waste)?

- a) No
- b) Yes
- 30. Does the school compost its own biodegradable waste (wet waste)?
 - a) No specific measure
 - b) Yes, waste is taken away for composting by external agency
 - c) Yes, on school premises

31.	How does the	school dispos	se its non-biodeg	radable waste (drv waste

31.	Но	w does the school dispose its non-biodegradable waste (dry waste)?
	a)	No specific measure / throw anywhere/ dumped at a place aside in campus/ nearby/ Burnt on school premises
	b)	Buried on school premises
	c)	Collection by municipality/Panchayat
32.	Is 1	the school premises clean (free from littering)?
	a)	No
	b)	Yes
33.	Ar	e the school premises free of water logging?
	a)	No
	b)	Yes
34.	Ar	e the school premises having nutrition garden/ kitchen garden/ herbal garden?
	a)	No
	b)	Yes
35.	Ar	e the classrooms and teaching areas cleaned daily?
	a)	No
	b)	Yes
36.	Wł	nat is the frequency of cleaning toilets?
	a)	No specific schedule
	b)	Once a week
	c)	Twice in a week
	d)	Daily
37.	Ar	e toilets cleaned with appropriate cleaning material?
	a)	Cleaned only with water

37.

- b) Cleaned at least once in a week with soaping agent and disinfectant

c)	Cleaned at least twice in a week with soaping agent and disinfectant
d)	Cleaned daily with soaping agent and disinfectant

- a) No one in particular
- b) Team of teachers, staff and child cabinet members/ student led committee
- 39. Does the school take care of the upkeeping/maintenance of fitting and fixture of toilets such as taps, flushing cistern, drainage pipes, overhead tank, wash basin etc. on a regular basis?
 - a) No
 - b) Yes
- 40. Does the school management committee take active part in reviewing and addressing school WASH and operation and maintenance (functionally of the water, toilet, handwashing & general cleanliness) related issues regularly in their meetings?
 - a) No
 - b) Yes

- Hygiene Practices by students and cooks of PM POSHAN (earlier Mid-Day Meal)
- Hygiene Education in School
- 41. Does the school have at least 2 teachers trained in sanitation and hygiene education?
 - a) No
 - b) Yes
- 42. Whether Child cabinet (Bal-Sansad)/ student-led body, group or club takes an active role in promoting sanitation and hygiene practices?
 - a) No
 - b) Yes
- 43. Who supervises the practice of daily hand-washing with soap by students and cooks before PM POSHAN (earlier Mid-Day Meal)/ lunch?
 - a) No one in particular
 - b) Teacher/ staff member
 - c) Dedicated team of teachers'/staff members and child cabinet members
- 44. Does the school take up hygiene and sanitation education including awareness on hand washing during morning assembly and in school club/ other regular student gatherings and functions?
 - a) No
 - b) Yes- Monthly

	c)	Yes- Fortnightly
	d)	Yes- Weekly
		(The school conducts sessions on safe hygiene and sanitation, including hand-washing awareness, on a monthly, fortnightly and weekly basis during morning assemblies, school child cabinet/ eco clubs, or at other regular student gatherings occasions)
45.		menstrual health management regularly discussed with or taught to students of propriate age (at least once in 3 months)?
	a)	No
	b)	Yes, only with girls
	c)	Yes, with both girls and boys
46.		es the school conduct cultural programs/competitions (essay, painting, debate c) on hygiene and sanitation?
	a)	No
	b)	Yes- Yearly basis
	c)	Yes- Six monthly basis
	d)	Yes- Quarterly basis
47.		es the school display and use Water, Sanitation and Hygiene related posters and aterials for promoting hygiene education?
	a)	No
	b)	Yes
48.		es the school organize guest talks, expert talks, workshops, seminars, or sessions water, sanitation, and hygiene?
	a)	No
	b)	Yes- Yearly basis
	c)	Yes- Six monthly basis
	d)	Yes- Quarterly basis
49.		hether school have any mechanism to monitor cleanliness (like cleanliness onitoring checklist) water, sanitation and hygiene (personal hygiene)?
	c)	No
	d)	Yes

- Form and strengthen eco/youth/green clubs or child cabinet for promoting eco-friendly green and clean skills behaviours
- School integrates environment, hygiene, and climate change education, engaging students in local environmental issues and recognizing traditional conservation practices.
- Forms and strengthens Eco/Youth/Green clubs and child cabinets, promoting the "5 R's," eliminating single-use plastics, and participating in environmental activities.
- Promotes energy-saving measures, including installing solar panels and LED lights.
- Conducts water audits and installs water-efficient fixtures to promote water conservation.
- 50. Whether school has an active and functional eco club/youth/green club or equivalent with its active role in environment conservation activities including generating awareness, sensitization on environment conservation and adoption of Mission LiFE climate actions?
 - a) No such group exists (/not functional)
 - b) Yes, has functional and active Eco club / Youth/ Green club (or equivalent)
 - c) Yes, has a functional student led group as eco club with their active role in Mission LiFE related climate actions and environmental conservation activities
 - (If (a) then question 50.1 is not applicable to your school. Go to question number 51)

50.1 Whether school has evidence of Mission LiFE activities undertaken in the prescribed format in reference to the previous question (if answer is b/c/d, please upload photo in the photo section)

- a) No
- b) Whether notification in token of constitution of Eco club for Mission LiFE uploaded on the Eco club for Mission LiFE portal
- c) Whether notification in token of constitution of Eco club for Mission LiFE uploaded on the Eco club for Mission LiFE portal and evidence of at least 1 Mission LiFE activity undertaken by the school
- d) Whether notification in token of constitution of Eco club for Mission LiFE uploaded on the Eco club for Mission LiFE portal and evidence of at least 2 Mission LiFE activities undertaken by the school

51. Whether school encourage the practice of the "5 R's" (Refuse, Reduce, Reuse, Repurpose, Recycle) in schools with real-life examples in the context of paper, water, cutlery etc?

- a) No
- b) Yes

(The "5 R's" in schools for waste management stand for Refuse, Reduce, Reuse, Repurpose, and Recycle. These steps help cut down waste by saying no to unnecessary items, using less, reusing things, finding new uses for old items, and utilize possibilities of recycling as far as feasible)

52. Whether the school conducted water audit last year?

- a) No
- b) Yes

(Water audit facilitate school to save water by reviewing how much is needed and used, finding leaks, and suggesting ways to reduce usage and waste, including measures like fixing fixtures to improve efficiency.)

53. Whether school has engaged students to study and learn traditions/practices related to protection of the environment?

- a) No
- b) Yes

(Studying and learning traditions, practices related to environmental protection involves making children learn and be aware about the ancient methods including water harvesting, sacred groves, other key practices and involving them in understanding and participating in local practices at home and in their communities for environment conservation)

54.	Whether schools have installed LED (Light Emitting Diode) lights across different areas?
	a) No
	b) Yes
55.	Whether school has installed functional solar panel to use renewable energy source?
	a) No
	b) Yes
56.	Has the school issued appropriate instructions for "Switching off appliances from plug points when not in use" and implemented key energy conservation practices?
	a) No
	b) Yes
57.	Does the school integrate safe environment, hygiene, and climate change education, learning, and skills into the teaching-learning process using age-appropriate methods, including sensitization, hands-on activities, projects, and experiential learning for all students and levels?
	a) No
	b) Yes
58.	Has the school organized at least one "Ek Ped Maa Ke Naam" plantation drive in last one year in school or neighbourhoods?
	a) No
	b) Yes
59.	Has the school issued appropriate instructions and implemented measures to ensure the campus is free from single-use plastics?
	a) No
	b) Yes
60.	Does the school use water-efficient fixtures and mechanism, such as aerators in taps or low water-consuming flush systems to ensure water conservation?
	a) No
	b) Yes

PHOTOS

- a) Front view of the school and premises
- b) Photo of main water point
- c) Rain Water harvesting/ storage
- d) School yard, showing overall cleanliness of the school premises
- e) Separate functional toilets for boys and girls (2 photos)
- f) Functional toilets for CWSN
- g) Waste disposal arrangement/ mechanism
- h) Nutrition garden/Kitchen garden/ herbal garden in the school
- i) Incinerator or burial system for disposal of sanitary waste
- j) Facilities for handwashing with soap after use of toilets and before PM POSHAN (earlier Mid-Day Meal)/ lunch (1 photo each)
- k) Water quality testing report
- l) Teacher training certificate/ document
- m) Photo of functional solar panel system
- n) Photo evidence as of uploaded filled notification in token of constitution of Eco club for Mission LiFE at "Eco club for Mission LiFE portal (1 photo)
- o) Evidence in form of screenshot of concerned pages of Eco club for Mission LiFE portal displaying at 2 separate Mission LiFE activities undertaken by the school (2 photos)

LIST OF INDICATORS

S.No.	Categories	Indicators
I	Water	Access to Safe, Adequate and Reliable Drinking Water
		Availability of Water for Use in Toilet & handwashing
II	Toilets	Availability of Separate Functional Toilets for boys and girls
		Availability of Separate Functional Urinals for boys and girls
		Functional Toilet Facilities for Children with Special Needs, Teachers and Staff
III	Handwashing	Functional Handwashing Facilities for Use After Toilet
	with Soap	Functional Handwashing Facilities for Use Before Meals
IV	Operation and Maintenance	Safe Disposal of wet waste (biodegradable waste), dry waste (non-biodegradable waste) and Liquid Waste
		Cleaning and Maintenance of School Environment
V	Behaviour Change and Capacity Building	Hygiene Education in School
		Hygiene Practices by students and cooks of PM POSHAN (earlier Mid-Day Meal) / lunch
VI	Mission LiFE activities	Integrates environment, hygiene, and climate change education, engaging students in local environmental issues and recognizing traditional conservation practices.
		Eco/Youth/Green clubs and child cabinets, promoting the "5 R's," eliminating single-use plastics, and participating in environmental activities.
		Energy-saving measures, including installing solar panels and LED lights.
		Water conservation measures such as water audits and installation of water-efficient fixtures

ANNEXURE 3

SCORING CRITERIA

Assessment Categories	Maximum Score
Water (Q.1-9)	22
Toilet (Q. 10-21)	27
Handwashing with Soap (Q. 22-27)	14
Operation and Maintenance (Q. 28-40)	21
Behaviour Change and Capacity Building (Q. 41-49)	20
Mission LiFE activities (Q. 50-60)	21
Total	125
Category of Schools	Maximum Score
Co-ed, UP, HS, Sec.	125
Co-ed, PS (Q. 19, 20, 45 are not relevant)	120
All boys' schools (Q. 11b, 12b, 19, 20, 45 are not relevant)	115
All girls' schools, PS (Q. 11a, 12a, 19, 20, 45 are not relevant)	115
All girls, UP, HS, Sec. (Q. 11a, 12a, 45c are not relevant)	119

EVALUATION PROCEDURE (AT DISTRICT LEVEL AND STATE LEVEL)

4.1 Eligibility criteria for district level recognition (certificate of merit):

All schools having 3 and above STAR rating (as per self-assessment) will be eligible for district level recognition (certificate of merit) and district level committee shall verify all such schools to finalize the schools for recognition at the district level, as per process given below:

Location	District Level recognition (certificate of merit)	
	Overall Score Based	
Rural	6 (3 Category-I + 3 Category-II)	
Urban	2 (1 Category-I + 1 Category-II)	
Total	8	
Eligibility criteria for district level recognition (certificate of merit)	Schools with Three Star and above rating and at least 51% score in individual sub – category as well	
Process ↓	* Physical verification of the eligible school by the District Level Committee (or their appointees) shall be undertaken for all the 3 STAR and above rating schools)	
1. District Level Committee - extract the list of all eligible schools from among those who have applied↓	3 star & above rating schools as per self- assessment of school (for each category – rural category I, urban category-I, , rural category-II and urban category II)	
2. Committee will assign eligible schools to evaluators for fair verification of school along with orientation about process (with a timeline) \downarrow	✓	

Location	District Level recognition (certificate of merit)	
	Overall Score Based	
3. Assigned evaluator conduct physical verification (against self- assessment score) of the assigned schools & update the score for each question & school ↓	✓	
4. System shall recalculate the scoring and star rating as per the verification (this may result in higher, lower or no change in star rating). ↓	✓	
5. District Level Committee shall select & approve the school with highest score as per final score for the recognition (certificate of merit) considering evaluation criteria and category. ↓	✓	
6a. For the district level	6 Rural (3 category-I + 3 category-II)	
	2 Urban (1 category-I + 1 category-I)	
6b. Out of (6a.)- district shall finalize maximum of 8 eligible schools for nomination for State level recognition (certificate of merit), (conforming to the criteria for selection i.e. 4 STAR and above) & school's score and rating will be forwarded to State/UT level	6 Rural (3 category-I + 3 category-II) 2 Urban (1 category-I + 1 category-II)	

*Remark:

- 1. All the eligible schools are required to be verified / cross validated.
- 2. In case the number of schools in 5 star category are very high, the District committee can choose not to evaluate 3 and 4 star schools
- 3. Some districts may require verification of a large number of schools in a limited time period. For this, district may engage competent Government agency/ training or academic institutes or reputed NGOs while ensuring adherence to the SHVR recognition processes.
- 4. There shall be a closing date for finalization of the district level school selection for recognition (certificate of merit) and sending nominations for the State/ UT level

4.2 State/UT Level recognition (certificate of merit):

All schools having 4 star and above rating, amongst those who received the district level recognition (certificate of merit) shall be eligible for the selection at State/ UT level. Thus, State/ UT will receive a total of maximum 8 schools eligible list per district for the State/ UT level recognition (certificate of merit) as per the following:

A State/UT having 'N' districts will have a maximum of 8 × N schools in total (where N is number of districts) to be assessed for State/ UT level recognition (certificate of merit) in different categories, as per procedure given below:

Location	State/ UT Level recognition (certificate of merit)	
	Overall score based	
Rural	14 (7 category-I + 7 category-II)	
Urban	6 (3 category-I + 3 category-II)	
Total State/ UT level recognition (certificate of merit)	20	
Criteria (eligibility for State level recognition (certificate of merit))	Schools with 4-star and above rating to be finalized (certificate of merit) for overall category	
Process ↓	**Verification of the eligible school by the State/ UT Level Committee (or their appointees) shall be undertaken for all 4 STAR and above rating schools amongst those approved for district level recognition (certificate of merit)	
1. State/UT Level Committee - Extract the list of all eligible school recommended for State level selection	School with 4-star and above rating to be finalized for State level recognition (certificate of merit) in overall score for each category – rural, category I, urban category-I, rural category-II and urban category II	
2. Committee will assign eligible schools to evaluators for fair verification of school along with orientation about process (with a timeline) ↓	✓	

Location	State/ UT Level recognition (certificate of merit)		
	Overall score based		
3. Assigned evaluator conduct physical verification (against self- assessment score) of the assigned schools & update the score for each question & school ↓	✓		
4. System shall recalculate the scoring and star rating as per the assessment (this may result in higher, lower or no change in star rating). ↓	✓		
5. State/UT Level Committee shall select & approve the school with highest score as per final score obtained in verification, for the recognition (certificate of merit) considering the score, evaluation criteria and category. ↓	✓		
6. State/UT will approve schools as per the	following-		
6a. For the State level recognition (certificate of merit)	20 schools with four star rating and above (7 rural category I, 3 urban category I, 7 rural category II and 3 urban category II)		
6b. Out of (6a.)- State/UT shall finalize maximum of 20 eligible schools for nomination for National level recognition (certificate of merit) (confirming to the criteria for the National level, i.e. 5 STAR) & schools' score will be forwarded to national level	20 schools with five star rating, (7 rural- category I, 3 urban category-I, 7 rural category-II and 3 urban category II)		

**Remark:

- 1. All the eligible schools are required to be verified/ cross validated.
- 2. In case the number of schools in 5-star category are very high then the State committee can choose not to evaluate 4-star schools.
- 3. Some States may have a need for verification of a high number of schools in a limited time period; for this purpose, State may engage competent Government agency/ training or academic institutes or reputed NGOs. while ensuring adherence to the SHVR processes.
- 4. There shall be a closing date for finalization of the State/UT level recognition (certificate of merit) and sending nominations for the national level.
